(a.) In every school of Grade X there shall be added for each succeeding subgrade above Subgrade X A an assistant with a salary of Subgrade 1A, but in all other respects the staff and salaries in every such school shall be the same as in a school of Subgrade X A.

(b.) The number of male assistants in any school shall not exceed the number of female assistants.

(c.) At least one of the first three assistants in any school shall be a woman.

(d.) At least three of the first six assistants in any school must be women.

(e.) In the case of a school of Grade 0 the Board shall pay for or on account of the salary of the teacher the sum of £6 per annum for every pupil in average attendance.

(f.) The number of assistants and pupil-teachers in a school shall be determined by the average attendance shown in Column A hereof in the manner prescribed by regulations; such average attendance shall be the average attendance for a period immediately preceding not greater than one year.

* Education Amendment Act, 1910.

The salaries for teachers are fixed in accordance with the above scale, with the following exceptions:—

(1.) The salaries are not to be lowered on account of a fall in the grade of the day-school, although in such a case increments would cease.

(2.) For extra duties imposed outside ordinary school duties, board and residence for the teacher himself (or an additional £24 a year if not resident) is given.

(3.) The minimum annual salary for a male assistant teacher with full certificate is Grade 2B/3A (£135, rising to £165 by annual increases of £5).

(4.) The additional assistants prescribed in column 6 of Schedule II, Part I, of the Education Amendment Act, 1908 (with salaries as in column 7 thereof) are substituted for the pupil-teachers prescribed in column 5 thereof—e.g., in Grade VI A an assistant teacher 2B/3A is substituted for two pupil-teachers.
