*Authorizing the Havelock North Town Board to erect Electric Lines within the Havelock North Town District.*

LIVERPOOL, Governor.

ORDER IN COUNCIL.

At the Government House at Wellington, this twenty-second day of May, 1914.

Present :

HIS EXCELLENCY THE GOVERNOR IN COUNCIL.

WHEREAS by section two of the Public Works Amendment Act, 1911, it is provided that no person shall lay, construct, put up, place, or use any electric line except under the authority of a license issued to him by the Governor in Council under that Act :

And whereas the Havelock North Town Board (hereinafter referred to as "the said Board") desires to erect electric lines within the Havelock North Town District, and it is expedient accordingly to issue a license in respect thereof under the said section :

Now, therefore, in pursuance and exercise of the powers conferred upon him by the said section, and of all other powers enabling him in this behalf, His Excellency the Governor of the Dominion of New Zealand, acting by and with the advice and consent of the Executive Council of the said Dominion, doth, subject to the conditions set forth in the Schedule hereto, hereby authorize the said Board to lay, construct, put up, place, or use electric lines for lighting and power purposes within the area of supply shown on the plan marked P.W.D. 34322, deposited in the office of the Minister of Public Works, at Wellington, in the Wellington Provincial District.

SCHEDULE.

1. IN this license—

- "Board" means the Havelock North Town Board :
- "Consumer's wires" means any electric lines on the consumer's premises which are electrically connected with the Board's electric lines :
- "Distribution line or lines" means the portion of any line from which service wires are connected for the purpose of supplying consumers :
- "Earthed" applied to any conductor means that such conductor shall be so connected to the general mass of earth as to ensure at all times an immediate safe discharge to earth of electric energy :
- "Electric line" means any wire, wires, conductor, or other means used for conveying, transmitting, or distributing electricity for power, lighting, or heating purposes, and includes any instrument, insulator, casing, tubing, pipe, covering, tower, or post enclosing or supporting an electric line or anything connected therewith :
- "Electric telegraph line" means any wire, wires, or cables belonging to the Post and Telegraph Department, or erected under authority granted by the Minister of Telegraphs :
- "High pressure" means pressures from 600 up to 3,300 volts :
- "Inspecting Engineer" means and includes any Inspecting Engineer appointed by the Minister to inspect works to be constructed or maintained by virtue of electric-line licenses or any water-power licenses or any combined water-power and electric-line licenses issued under the Public Works Act, 1908, and any or all of its amendments, or under any one or more of such amendments only, or Acts passed in amendment thereof or substitution thereof :
- "Low pressure" means pressures up to 600 volts :
- "Minister" means the Minister of Public Works :
- "Pressure" means difference of electric potential between any two conductors through which supply of energy is given or between any part of either conductor and the earth :
- "Street" includes road :
- "Telegraph" includes telephone.

*System of Supply.*

2. The supply of electrical energy shall be received in bulk from the Hastings Borough Council's supply at the Board's sub-station in Havelock North Town District.

The system of supply shall be three-phase alternating current at a pressure not exceeding 3,300 volts at a frequency of 50 cycles per second.

In the sub-station or in pole transformers it shall be transformed down to 400 volts between phases, and 230 volts between each phase and the neutral for low-tension distribution.
