To observe any of the conditions or obligations herein imposed upon the licensee, then in any such case it shall be lawful for the Governor by Order in Council either to revoke this license or to impose upon the licensee a fine not exceeding £100 for every week or part of a week of such default, such fine to be recovered summarily in accordance with the Justices of the Peace Act, 1908.

14. The powers of revocation or infliction of fines by this license vested in the Governor shall not be exercised unless and until the Governor has first caused to be given to the licensee, or left at its registered office, or placed upon some principal or conspicuous part of the works, a notice in writing of the intention to exercise the same, and of the specific breach or breaches in respect of which the aforesaid powers are intended to be exercised, and default has been made by the licensee (after the giving or leaving of such notice) in repairing or remedying the breach complained of for the following spaces of time:—

(b.) For any breach of the conditions of this license which, in the opinion of the Governor, is of such a nature as to require the revocation of this license, ninety days after the giving or leaving of such notice.

15. The Governor shall be the sole judge of the fact whether the requirements of this license have been complied with, and he may from time to time cause inquiry to be made into any matter connected therewith or arising hereunder in such manner as he thinks fit, and his decision shall be final; provided always that this clause shall not affect the rights of any person, corporate body, or local authority in cases of damage or injury for which an action by such person, corporate body, or local authority may lie against the licensee.

16. Nothing herein contained shall be deemed in any way to interfere with, affect, or abridge any rights or powers vested in His Majesty the King, or in the Governor on his behalf, or the Minister, or any other person under any Act of the General Assembly authorizing the construction, management, or working of any public works. Nor shall His Majesty, or the Governor, or the Minister, or any other person be liable to pay to the licensee any compensation for injury done to the works herein authorized by the construction, management, or working of any such public work as aforesaid, or for the loss occasioned thereby, or for the exercise of any such right or power as aforesaid.

17. This license shall be deemed to constitute a contract as between the licensee and His Majesty the King, and may be enforced as a contract by and against His said Majesty or the licensee accordingly.

18. The charge to be made by the licensee for the sale or supply of electricity, in pursuance of this license, shall not exceed 1s. per unit for light and 6d. per unit for power. A refund of 3d. per unit for light and 2d. per unit for power shall be made if accounts are paid within fourteen days from the date of rendering such accounts by the licensee.
