Applications invited for the Positions (Two) of Medical Inspector of Schools.

Office of Public Service Commissioner,
Wellington, 15th December, 1914.

1. APPLICATIONS will be received by the undersigned up till noon on the 8th January, 1915, for the positions (two) of Medical Inspector of Schools.

2. Applications must be addressed to the Secretary to the Public Service Commissioner, Wellington, and must embrace a statement of education and experience, particulars of age, &c.

3. Conditions of appointment are—

- (a.) Candidates must be duly qualified and registered medical practitioners (male or female), not less than twenty-five nor more than forty-five years of age.
- (b.) Preference will be given to those applicants who can show that they have had special experience in the diseases of children and those generally incidental to school life. Consideration will also be given to any evidence that the applicant may have to furnish of having taken a course in dentistry.
- (c.) The services of the Medical Inspector appointed will be specially directed to the inspection of schools and school-children (and, when so required, of teachers employed in public schools), the inspection to be conducted on lines of method approved by the Inspector-General of Schools.
- (d.) It is an essential part of the duty of the Medical Inspector to take such steps as may be found possible to instruct and train teachers in charge of public schools in the methods of school inspection, and to give lectures to teachers as occasion arises on matters relating to the diseases of school life and sanitation, and generally to undertake any duties that the Ministers of the Departments concerned consider necessary in the furtherance of the work for which they have been appointed.
- (e.) The Inspector will be required to advise the Education Department on all matters relating to school hygiene, including the health of the children, whether normal or otherwise.
- (f.) The officer appointed will be under the direct control of the Inspector-General of Schools. His itinerary and the order of his inspection shall be carried out as considered desirable by the Inspector-General of Schools, to whom he shall furnish such reports of the work as may from time to time be required, including an annual report of his work and summary of his investigations and recommendations.
- (g.) With the view of ensuring that school-children reported to be unfit shall, as far as possible, receive immediate and adequate attention, and to prevent any overlapping or friction that might otherwise arise from lack of combined action, it will be the duty of the Inspector to consult with the District Health Officers,

or other public officers (if any) especially appointed in pursuance of the scheme of medical inspection, and generally to act in conjunction with them.

- (h.) The Medical Inspector must report immediately (by wire if necessary) in cases of infectious diseases and other matters affecting public health to the District Health Officer, who will be instructed to offer him every assistance, and in other cases to the Education Department.

The appointment will be subject to the provisions of the Public Service Act, 1912.

The position will be graded in the Professional Division. Salary, £460 or £480, according to qualifications (with travelling-expenses in accordance with the regulations).
