LIVERPOOL, Governor.

ORDER IN COUNCIL.

At the Government House at Wellington, this thirty-first day of August, 1914.

Present:

HIS EXCELLENCY THE GOVERNOR IN COUNCIL.

WHEREAS it is enacted by section thirty-nine of the Harbours Amendment Act, 1910 (hereinafter called "the said Act"), that in the case of lands between high- and low-water marks which belong to the Crown, and on which at high-water spring tides the depth of water is not sufficient for purposes of navigation, the Governor in Council may grant occupation licenses for periods not exceeding twenty-one years, at such rent and on such conditions as he thinks fit, and any such lease may contain a provision authorizing the lessee to reclaim the land the subject of the lease without complying with the requirements of section forty-one of the said Act:

And whereas it is desirable to license William Russek, of Waiwera, to occupy a part of the land between high- and low-water marks, belonging to the Crown, on the Puhoi River on which at high-water spring tides the depth of water is not sufficient for purposes of navigation:

Now, therefore, His Excellency the Governor of the Dominion of New Zealand, in pursuance and exercise of the hereinbefore-recited power and authority, and acting by and with the advice and consent of the Executive Council of the said Dominion, doth hereby license William Russek, of Waiwera (hereinafter called "the licensee"), to occupy the piece of land between high- and low-water marks of spring tides on the Puhoi River inside the red line shown on plan marked M.D. 4319, and deposited in the office of the Marine Department at Wellington; and doth also authorize the said licensee to reclaim the land subject to this license by constructing a wall over it as shown by the red line on the said plan, without complying with the requirements of section forty-one of the said Act, this license to be subject to the following conditions.

CONDITIONS.

1. The licensee shall pay to the Marine Department an annual rent of 10s., the first of such payments to be made on the issue of this Order in Council, and subsequent payments to be made on the 1st day of September in each year.
2. If the Marine Department considers that there is undue delay in constructing the wall it may, by notice in writing, require the licensee to complete its construction within such time as may be specified in the license, and failure to do so shall be deemed to be a breach of the conditions of the license.
3. The licensee shall keep any retaining-wall which he may construct for the purpose of reclaiming the land included in this license in good order and condition, and shall provide and maintain all necessary outlets for storm-water.
4. The licensee shall keep the land included in this license free from noxious weeds.
5. The licensee shall not assign, charge, or part with any right, power, or privilege granted by this license without the previous written consent of the Minister of Marine.
6. The rights, powers, and privileges conferred by this Order in Council shall continue in force for twenty-one years from the date hereof, unless in the meantime such rights, powers, and privileges shall be altered, modified, or revoked by competent authority.
7. If the licensee commits or suffers a breach of any of the conditions of this license, the license may be revoked and determined by the Governor in Council; and publication of a notice of such revocation in the *New Zealand Gazette* shall be sufficient notice thereof to the licensee, and all persons concerned or interested in this license, that it has been revoked and determined.
