Notice to Mariners No. 11 of 1914.

Marine Department,
Wellington, N.Z., 24th January, 1914.

THE following Notices to Mariners, received from the Port Officer, Melbourne, Victoria, and the Marine Board, Port Adelaide, South Australia, are published for general information.

B. W. MILLIER,
For Secretary.

VICTORIA.

Light near Tooradin Jetty, Western Port.

REFERRING to Notice to Mariners No. 125, dated 29th November, 1912, mariners, boatmen, and others are hereby notified that such notice is cancelled, and that an all-round fixed white light, elevated 30 ft. above high water, is shown from the lamp-post situated on the mainland on the eastern side of the channel, about one cable to the south-westward of Tooradin Jetty.

C. W. MACLEAN,
Melbourne, 29th December, 1913. Port Officer.

SOUTH AUSTRALIA.

Gulf St. Vincent.—Marion Reef.

MASTERS of vessels and others are hereby informed that on and after the night of the 16th December, 1913, the black

buoy, showing a fixed red light, which has hitherto marked the Marion Reef, will be removed, and instead thereof will be exhibited a new light as follows: An unwatched red light, flashing every two seconds, at a height of 35 ft. above H.W. from an openwork iron tower, surrounded by timber fender piling in 18 ft. at L.W.S. on the S.E. extreme of Marion Reef, with Troubridge Lighthouse bearing 9° (north 4° E. mag.) distant 2½ miles, and the light should be visible at a distance of about 6 miles in clear weather.

Approximate position: Lat. 35° 10' S., long. 137° 49¼' E.
This affects Admiralty Charts Nos. 2389A and 2152.

Kangaroo Island.—Nepean Bay.

On and after the night of the 18th December, 1913, the bell buoy marking the position of the submarine telegraph cable to Yankalilla will be replaced by a buoy painted green with conical top, and showing at night an unwatched, fixed, red light, at a height of 9 ft. above water-level. The light should be visible in clear weather at a distance of about 6 miles. This buoy is moored in 3½ fathoms, and also marks the shallow water off the south-eastern extreme of the Kingscote Spit.

Approximate position: Lat. 35° 41¼' S., long. 137° 42½' E.
This affects Admiralty Charts Nos. 2389A and 3641.

ARTHUR SEARCY,
President of the Marine Board and
Marine Board Offices, Controller of Harbours.
Port Adelaide, 15th December, 1913.
