

being a total distance of 1 mile 68 chains, more or less. As the said portion of road is more particularly delineated on the plan marked P.W.D. 39120, deposited in the office of the Minister of Public Works at Wellington, in the Wellington Provincial District, and thereon indicated by a dotted red line.

J. F. ANDREWS,
Clerk of the Executive Council

License authorizing Alexander John Cameron, Settler, Makuri, to use Water from the Turakina Stream for the Purpose of generating Electricity, and to erect Electric Lines within Portion of the Pahiataua County.

LIVERPOOL, Governor.

ORDER IN COUNCIL.

At the Government House at Wellington, this sixth day of December, 1915.

Present :

HIS EXCELLENCY THE GOVERNOR IN COUNCIL.

WHEREAS by section five of the Public Works Amendment Act, 1908, it is enacted that the Governor may from time to time by Order in Council grant to any person or body corporate a license to use water from any fall, river, stream, or other source for the purpose of generating electricity for electric light, mechanical power, or other uses, and to exercise in respect of that purpose any of the powers and authorities specified in that behalf in the said section : And whereas it is further provided by the said section that any such license may confer upon the licensee a right at any time or times during the continuance of the license (but subject to such conditions and restrictions as are expressed in the license) to enter upon any road, railway, or other land, whether vested in or occupied by the Crown or any other person or body corporate, and there to construct, erect, lay down, maintain, renew, or repair all such cables, wires, and other things as are required for the transmission of electricity between the fall, river, stream, or other source aforesaid and any place to which the licensee is authorized to transmit electricity in pursuance of the license :

And whereas Alexander John Cameron, Settler, Makuri, (hereinafter, with his successors and assigns, referred to as "the licensee"), has applied for a license under the said section to take and use water from the Turakina Stream, in the Provincial District of Wellington (hereinafter referred to as "the said stream"), for the purpose of generating electricity as aforesaid, and it is expedient to issue such license accordingly :

Now, therefore, in pursuance and exercise of the powers conferred upon him as aforesaid, and of the powers conferred by section two of the Public Works Amendment Act, 1911, and of all other powers in anywise enabling him in that behalf, His Excellency the Governor of the Dominion of New Zealand, acting by and with the advice and consent of the Executive Council of the said Dominion, doth hereby grant to the licensee (subject to the terms and conditions set forth in the Schedule hereto) a license to take and use from the said stream, for the purposes hereinafter set forth, a stream of water (hereinafter referred to as "the said water") not exceeding twelve cubic feet per second at any one time ; and also to erect and maintain electric lines for power, lighting, heating, or other uses within the area of supply hereinafter described, and subject to the regulations published in the *New Zealand Gazette* dated the twenty-ninth day of April, one thousand nine hundred and fifteen, and hereinafter referred to as "the regulations."

SCHEDULE.

1. PLANS.

The licensee shall, before the works hereby authorized are commenced, forward for the approval of the Minister of Public Works (hereinafter referred to as "the Minister")—

- (a.) Full detailed drawings and specifications of the diverting weir and dam.
- (b.) Drawings showing how and in what manner the water diverted is to be returned to the said stream.
- (c.) Contour-plan showing difference in level of water due to the construction of the headworks.

2. UTILIZATION OF THE WATER.

The said water shall be used solely for the purpose of generating electricity, and shall be returned to the said stream at or near the power-house.

3. LOCATION OF HEADWORKS.

The said water shall be taken from the said stream at the headworks, situated on Section 159, Block 14, Makuri Survey District, at a point indicated on the plan marked P.W.D. 38105, deposited in the office of the Minister at Wellington, in the Provincial District of Wellington.

4. GENERAL DESCRIPTION OF WORKS.

The licensee is hereby authorized to construct, maintain, and use the following works for the purposes of this license ; the position of the said works being indicated on the plan marked P.W.D. 38105 hereinbefore referred to.

- (a.) Headworks consisting of a dam and necessary intake.
- (b.) Flume leading from such dam to the power-house hereinafter referred to.
- (c.) A power-house with all necessary equipment, including water-turbines, generators, transformers, lightning-arresters, switchboards, switches, exciter, and other appliances for generating electricity.
- (d.) Electric lines over the routes shown by means of green lines on the said plan.
- (e.) Such further electric lines within the area of supply as may from time to time be required within such area of supply, and after compliance with the provisions of clause 49 of the regulations.

5. INSPECTION OF WORKS.

The Inspecting Engineer, both during and after the construction of the works, shall have free access to and liberty at any time to inspect the same so as to ensure that the provisions of this license are given due effect to.

6. MAINTENANCE OF WORKS.

After the said works have been completed the licensee shall maintain the same in proper working-order during the continuance of this license.

7. RIGHT TO ENTER LANDS, ETC.

The licensee shall have the right at any time or times during the continuance of this license, with the consent of the Minister, to enter upon any road or other land, whether vested in or occupied by the Crown or any other person or body corporate, and there to construct, erect, lay down, maintain, renew, or repair all such transmission-lines, poles, or other things as are required for the transmission of electricity between the generating-stations and any of the substations to which this license applies.

8. POWER TO TAKE LAND.

The licensee is hereby empowered to take, under the Public Works Act, 1908, as for a public work such land as may, in the opinion of the Governor, be necessary to enable the licensee to construct and maintain the various works authorized by this license.

9. DURATION OF LICENSE.

This license shall, unless sooner determined in accordance with the provisions hereinafter expressed, continue in force for a period of forty-two years, commencing on the date hereof. Upon the expiry of the said term, or upon the sooner determination of this license by revocation or otherwise, all rights hereby granted to the licensee shall thereupon cease and determine ; but such expiration or determination shall not relieve the licensee of any liability theretofore incurred under this license.

10. RENTAL.

The licensee shall, in respect of this license, pay to the Public Works Engineer for the district, or otherwise as the Minister may from time to time require, a rental of one-twentieth of a penny per unit for each unit generated and as recorded by the wattmeter to be installed by the licensee, payment to be made half-yearly on the 1st days of January and July of each year.

11. GRANTING OF OTHER WATER-RIGHTS.

Nothing herein shall prevent the Governor in Council from granting to any person or body corporate other than the licensee a license to take water from any portion of the said stream, except at the place where the licensee is by this license empowered to take it ; provided that no such license shall so operate as to reduce the natural fall between the headworks and tail-water, or the volume of the water which the licensee is by this license authorized to take from the said stream.
