Electric Lines Regulations.—Telephone Exchange Charges.

LIVERPOOL, Governor.
ORDER IN COUNCIL.

At the Government Buildings at Wellington, this fifteenth day of March, 1915.

Present :

THE RIGHT HONOURABLE W. F. MASSEY, P.C., PRESIDING
IN COUNCIL.

WHEREAS by Order in Council dated the first day of November, one thousand nine hundred and eleven, and published in the *New Zealand Gazette* of the second day of November, one thousand nine hundred and eleven, regulations were made under the authority of the Post and Telegraph Act, 1908 (hereinafter termed "the said Act"), prescribing, *inter alia*, the charges to be levied for connection with a telephone exchange: And whereas it is expedient to amend such regulations in the manner hereinafter set forth:

Now, therefore, His Excellency the Governor of the Dominion of New Zealand, in pursuance and exercise of the power and authority conferred upon him by the said Act, and of all other powers and authorities in that behalf enabling him, and acting by and with the advice and consent of the Executive Council of the said Dominion, doth hereby revoke the regulations numbered four, thirteen, fourteen, fifteen, sixteen, and seventeen, under the heading "Telephone Exchanges" in the Schedule to the above-recited Order in Council, and in lieu thereof doth hereby make the regulations set forth in the Schedule hereto; and doth declare that the regulations hereby made shall form part of and be read together with the regulations made by the above-recited Order in Council, and shall have effect on and after the date of publication of this Order in Council in the *New Zealand Gazette*.

SCHEDULE.

TELEPHONE EXCHANGES.

4. SUBSCRIBERS at each exchange will be furnished with a list of persons with whom they may communicate by telephone, and new subscribers when they are connected with the system will be afforded facilities to enable them to advise other subscribers whom they wish to have immediate information of the fact.

13. For every additional quarter-mile or fraction thereof up to three miles, the charge is 10s. per annum; beyond three miles, 15s. per annum. If a special line of poles has to be constructed beyond three miles, the charge will be £1 per annum for each quarter-mile or fraction thereof beyond the three miles; except that for the portion of the line for which the subscriber pays half cost of construction the charge will be 15s. per annum for each quarter-mile or fraction thereof.

This regulation is to be read in conjunction with Regulations Nos. 14, 21, and 22.

14. Where subscribers pay the whole cost of construction beyond the three-mile limit, the charge for such extension will be 10s. per quarter-mile, whether a special line of poles is constructed or not.

15. Temporary connections (for a period less than one year) will be granted, provided the applicant pays the net cost of giving the connection, and a rental of 10s. for the first fortnight or fraction thereof, and 5s. for every subsequent week. In the event of the temporary subscriber ultimately deciding to have the temporary connection converted to an ordinary permanent one, the usual bond must be given, and the regular charges will take effect from the date of the completion of the bond. In such a case the cost of making the connection will be refunded.

16. Subscribers will have to sign a bond to hold the connection for one year for each two miles or fraction thereof of circuit wholly provided by the Department. Thus, for a distance up to two miles, one year; over two miles and not exceeding four miles, two years; over four miles and not exceeding six miles, three years.

17. Extension telephones, not fitted for internal communication, are charged for at £1 per annum each, in addition to the cost of switching-devices, material, and fitting. Extension telephones fitted for intercommunication, in addition

to exchange facilities, are charged for at £2 per annum each, except the annunciator telephone, the subscriber to pay the cost of the annunciator and of erection. The annunciator telephone is provided by the Department. An extension telephone is one which is placed within the same premises as that in which the original connection is placed.
