GENERAL DESCRIPTION.

Bartholomew Settlement, recently acquired from Mr. P. Bartholomew, comprises an area of nearly 98 acres subdivided into six lots, and is situated between the Makomako and Beach Roads about a mile west of the Levin Railway-station, from which there is access by a metalled dray-road. All the sections are level, and most of them have been ploughed and laid down in good English grasses. The soil is of a light nature on shingle formation. The sections fronting Makomako Road are adjacent to the Levin Race-course and Showground, and are within a few minutes walk of the Horowhenua Lake, the chief pleasure resort of Levin and district. A good road runs past the settlement and down to the foreshore of this lake. The sections fronting the Beach Road are directly opposite the Government Experimental Farm. Hokio Beach, the popular seaside resort, is distant only about three miles. The settlement is eminently adapted for fruit-growing and poultry farming. The two larger sections are suitable for dairying. The sections not actually traversed by the borough water-races can easily be connected with them. If desired, the borough high-pressure water-supply is available for laying on at usual charges, also gas and telephone.
