Bonus for the Production of Mineral Phosphate.—Notice No. 1785.

Department of Agriculture, Industries, and Commerce,
Wellington, 22nd June, 1915.

THE following bonus is hereby offered for the discovery
and working within the Dominion of a deposit or
deposits of marketable mineral phosphate, viz.:—

£1,000 if on land on which the Crown is entitled to such deposits:

£500 if on other land.

The following are the conditions under which the bonus is offered and will be paid:—

That no fertilizer containing material from the deposit or from any deposit in the neighbourhood, has been placed upon the market previous to the date hereof.

2. That the raw material is reasonably accessible and can be worked at a profit.

be worked at a profit.

3. That a committee to be appointed by the Minister of Agriculture to examine the deposit is satisfied that there is sufficient to warrant payment of the bonus; provided that if a small deposit is discovered a proportion of the bonus offered will be paid on and in accordance with the recommendation of the committee.

4. That the faultistan made from the phosphate can be

4. That the fertilizer made from the phosphate can be disposed of at a price which will allow of its being remuneratively used for agricultural purposes,
