#### APPLICATIONS IN RESPECT OF MINING PRIVILEGES.

33. For the purposes of section 165 of the Mining Act, but subject to the specific provisions elsewhere contained in that Act or these regulations with respect to specific applications, the following general rules, in so far as they are applicable, shall be observed with respect to every application to the Warden under that section:—

- (1.) The application may be made in such one of the forms numbered 15 to 26 in the First Schedule hereto as is applicable, or, if none of those forms is applicable, then in such form as the Warden prescribes or authorises, and shall be filed by or on behalf of the applicant in the office of the Registrar during office hours as defined in clause 120 of these regulations.
- (2.) An application for a certificate of protection or for absolute surrender may include all the mining privileges that are held and worked together by the applicant, and an application for amalgamation of claims may include all the claims to be amalgamated into one claim; but in every other case the application shall relate only to one mining privilege.
- (3.) The application may be transmitted to the Registrar's office by post or otherwise, and, in the event of its reaching his office after office hours, the time of filing shall be deemed to be the hour when the office is next open for business.
- (4.) If the application is for a claim or other mining privilege requiring to be marked out, it shall be marked out before the application is filed; and unless this rule is complied with the application shall be deemed to be void.
- (5.) The application shall in every case contain an address for service, which shall be in the same district as the office in which the application is filed, and all notices to be served on the applicant shall be deemed to be validly served if served at such address.
- (6.) When filing the application there shall also be lodged with the Registrar by or on behalf of the applicant such number of duplicate originals thereof, being in no case less than two nor more than five, as the Registrar requests or the Warden prescribes.

- (8.) The Warden, before disposing of the application, shall satisfy himself that the sums lodged as aforesaid are sufficient to pay all fees and other charges in respect whereof the lodgment has been made, and they shall be applied in payment thereof accordingly, and the surplus (if any) shall be returned to the person entitled thereto.
- (9.) As soon as practicable after the filing of the application and the lodging of the duplicate originals, the Registrar shall minute thereon the time and place of hearing appointed by the Warden (such time being not less than the sixteenth day after the day of the filing of the application), and, for public information, shall affix one of the duplicates, or an abstract
