

Sitting of the Native Land Court under the Provisions of the West Coast Settlement Reserves Amendment Act, 1913.

Registrar's Office, Aotea District Native Land Court, Wanganui, 17th January, 1916.

WHEREAS it is provided under section 15 of the West Coast Settlement Reserves Amendment Act, 1913 (hereinafter referred to as the said Act), that the Public Trustee should forward to the Chief Judge of this Court a list and description of the lands subject to the provisions of the said Act, and a list of the Native owners thereof so far as the same is known to him (the said Public Trustee), and that thereupon the Court should, without further application or direction, and, according as far as practicable to its usual practice, subject to regulations to be made under the said Act, proceed to partition the same among the Native owners thereof, and that the said Chief Judge should take the necessary steps for having such sittings held; and that at such sittings the said lands could be partitioned and successors appointed to deceased owners, but no such partition should take effect until the lease upon which the land is held, and any renewal thereof provided for by law, has expired: And whereas by section 21 of the said Act it is provided that section 15 thereof should apply to certain other areas held under licenses or short-termed leases where there was no right of renewal, and also to lands that were not let or leased; but that no such partition should affect the rights of licensees or lessees: And whereas the Public Trustee has forwarded to the Chief Judge the lists required to be furnished as aforesaid (a schedule of the grants for the lands in such list being set out in the Schedule hereto):

Now, in pursuance of the said Act and of such lists as aforesaid, it is hereby notified that a sitting of the Native Land Court will be held at Opunake on the 16th day of February, 1916, and following days to hear and determine all matters directed to be heard under the said sections 15 and 21 of the West Coast Settlement Reserves Act, 1913, pursuant to the lists aforesaid.

The Court will from time to time adjourn its sittings to the several centres within the West Coast Settlements District to the locality considered most convenient and suitable for the hearing of the respective cases under consideration.

Applications to fix the time and place of hearing pursuant to any such adjournment of the various cases should be

made to the presiding Judge at Opunake. Every such application will be determined by the presiding Judge in open Court.
