WELLINGTON, FRIDAY, JANUARY 28. 1916.

Junior National Scholarship and Junior Free Place Examinations, December, 1915.

Education Department,
Wellington, 19th January, 1916.

LIST I following is an alphabetical list of candidates who reached the standard of qualification (63 per cent.) for a Scholarship in the Junior National Scholarship Examination of December last.

To those who are eligible in all other respects scholarships will be awarded by the Education Boards concerned.

List II contains the names of candidates who gained between 53 per cent. and 62 per cent. of the total possible marks assignable in the Junior National Scholarship Examination. They have satisfied the examination requirements for a Junior Free Place, and a few of them—viz., those from sole-teacher schools who are entitled to the concession under Clause 4 of the National Scholarship Regulations and are in other respects eligible—will be awarded Junior National Scholarships.

List III consists of all candidates not included in the above lists (List I or List II) who qualified for Junior Free Places either at the Junior National Scholarship Examination or at the Junior Free Place Examination. Candidates in List III who secured their passes in the Scholarship Examination are denoted by an asterisk.

W. J. ANDERSON,
Director of Education.
