

SCHEDULE.

1. In these conditions the term "Minister" means the Minister of Marine as defined by the Shipping and Seamen Act, 1908, and includes any officer, person, or authority acting by or under the direction of such Minister.

2. The concessions and privileges conferred by this Order in Council shall extend and apply only to that part of the foreshore and land below low-water mark as shown in red on plan marked M.D. 4742.

3. In consideration of the concessions and privileges granted by this Order in Council the licensees shall pay to the Minister the sum of £2 10s., and thereafter a sum of 1s. per week, payable quarterly in advance, dating from the date hereof, the first of such payments to be made on the licensees being supplied with a copy of this Order in Council.

4. The licensees shall maintain the above-mentioned slipway in good order and repair, and shall at all times exhibit therefrom, and maintain at their own cost, suitable and necessary lights for the guidance of vessels; provided that no light shall be exhibited until after it has been approved of by the Minister.

5. The licensees shall erect at high-water mark at the points marked "A" and "B" on the plan marked M.D. 4742 notice-boards with the following notice on both sides:—

NOTICE.

DANGER.

PERSONS are warned against passing this notice while a RED FLAG is flying from the flagpole in the Aviation Schoolgrounds.

By order of the Marine Department.

6. Preparatory to flights, and during flights and landing of seaplanes, the licensees shall cause a red flag to be flown from the flagpole at the hangar.

7. Any person authorized by the Minister may at all reasonable times enter upon the said slipway and view the state of repair thereof; and upon such Minister leaving at or posting to the last known address of the licensees in New Zealand a notice in writing of any defect or want of repair in such slipway, requiring them, within a reasonable time, to be therein prescribed, to repair the same. They shall with all convenient speed cause such defect to be removed or such repairs to be made.

8. Nothing herein contained shall authorize the licensees to do or cause to be done anything repugnant to or inconsistent with any law relating to the Customs, or any regulation of the Minister of Customs, or with any provisions of the Harbours Act, 1908, or its amendments, or any regulations made thereunder, and that are now or may hereafter be in force.

9. The rights, powers, and privileges conferred by or under this Order in Council shall continue to be in force during the currency of the present war or until the 31st day of May, 1922, which ever terminates first, unless in the meantime such rights, powers, and privileges shall be altered, modified, or revoked by competent authority; and the licensees shall not assign, charge, or part with any such right, power, or privilege without the previous written consent of the Minister first obtained.

10. The said rights, powers, and privileges may be at any time resumed by the Governor-General, without payment of any compensation whatever, on giving to the licensees three calendar months' previous notice in writing. Any such notice shall be sufficient if given by the Minister and delivered at or posted to the last known address of the licensees in New Zealand.

11. The licensees shall be liable for any injury which the said slipway may cause any vessel or boat to sustain through any default or neglect on their part.

12. In case the licensee shall—

- (1.) Commit or suffer a breach of the conditions hereinbefore set forth, or any of them;
- (2.) Cease to use or occupy the said foreshore for a period of thirty days;
- (3.) Become bankrupt, or be brought under the operation of any law for the time being in force relating to bankruptcy; or
- (4.) Fail to pay the sums specified in clause 3 of these conditions,—

then and in any of the said cases this Order in Council, and every license, right, power, or privilege, may be revoked and determined by the Governor-General in Council without any notice to the licensees or other proceeding whatsoever; and publication in the *New Zealand Gazette* of an Order in Council containing such revocation shall be sufficient notice to the licensees, and to all persons concerned or interested, that this Order in Council, and the license, rights, and privileges thereby granted and conferred, have been revoked and determined.

13. The erection of the said slipway shall be sufficient evidence of the acceptance by the licensees of the terms and conditions of this Order in Council.

J. F. ANDREWS,
Clerk of the Executive Council.

License authorizing the Christchurch City Council to erect Electric Lines within the Borough of New Brighton, and to erect Transmission-lines from the City of Christchurch to the said Borough.

LIVERPOOL, Governor-General.

ORDER IN COUNCIL.

At the Government House at Wellington, this nineteenth day of November, 1917.

Present:

HIS EXCELLENCY THE GOVERNOR-GENERAL IN COUNCIL.

WHEREAS by section two of the Public Works Amendment Act, 1911, it is provided that no person shall lay, construct, place, put up, or use any electric line except under the authority of a license issued by the Governor in Council under that Act:

And whereas the Christchurch City Council (hereinafter referred to as "the licensee") desires to erect lines within the area of supply as defined in the Schedule hereto, and hereinafter called "the area of supply," and also transmission-lines from the City of Christchurch to the Borough of New Brighton, and it is expedient accordingly to issue a license in respect thereof under the said section:

Now, therefore, in pursuance and exercise of the powers conferred upon him by the said section, and of all other powers in anywise enabling him in that behalf, His Excellency the Governor-General of the Dominion of New Zealand, acting by and with the advice and consent of the Executive Council of the said Dominion, doth, subject to the conditions set forth in the Schedule hereto, and to the regulations made under section two of the aforesaid Act and published in the *New Zealand Gazette* dated the twenty-ninth day of April, one thousand nine hundred and fifteen, and hereinafter referred to as "the regulations," hereby authorize the licensee to erect and maintain electric lines for lighting, power, and heating purposes within the area of supply hereinafter described, and transmission-lines along the route hereinafter described, such electric lines at present proposed to be erected being indicated by means of red and green lines shown on the plans marked P.W.D. 42366 and 42233, and deposited in the office of the Minister of Public Works at Wellington, in the Wellington Provincial District.

SCHEDULE.

1. AREA OF SUPPLY.

The area of supply comprises the Borough of New Brighton as at present constituted.

1A. ROUTE OF TRANSMISSION-LINES.

That route commencing at the substation in the City of Christchurch, near the corner of Park Road and Avon Road, and running in a north-easterly direction generally along Park Road and McBratney's Road to New Brighton Road, thence along New Brighton Road and River Road to the substation near the corner of Baker Street and River Road in New Brighton. As the said route is more particularly delineated on the plan marked P.W.D. 42233, deposited in the office of the Minister of Public Works at Wellington, in the Wellington Provincial District, and thereon coloured green.

2. SYSTEM OF SUPPLY.

The system of supply shall be as described in paragraph (e) of clause 2 of the regulations.

3. DATUM TEMPERATURE.

For the purpose of calculating the stresses as provided in clause 12 of the regulations, the datum temperature shall be taken as 20 degrees Fahrenheit.

4. NOTICES *re* EXTENSIONS, ETC.

Records of results of tests (Regulation 37), and notices *re* commencement of work (Regulation 44) and *re* extensions and alterations (Regulation 49), should be sent to the Under-Secretary, Public Works Department, Wellington, and to the Telegraph Engineer of the district, or his deputy, at present stationed at Christchurch.

5. CHARGES FOR ELECTRIC ENERGY.

The charge for electrical energy shall not exceed 9d. per unit for lighting purposes, and 4d. per unit for motor-power, heating, or cooking purposes; provided that "lighting purposes" shall include the operation of motor generators for lighting purposes.

6. DURATION OF LICENSE.

This license shall, unless sooner determined in accordance with the provisions hereinafter expressed, continue in force for a period of forty-two years from the date hereof. Upon the expiry of the said term, or upon the sooner determination
