Registrar-General's Office,
Wellington, 22nd December, 1916.

W. W. COOK, Registrar-General.

* It may be that in some instances the places given under the heading "Residence" are not the present places of abode of the respective persons. They have been copied, however, as they stand in the General Register; and if they are inaccurate in any case it is because the changes of residence have not been officially notified to the Registrar-General, as it is obviously desirable that all such changes should be.
