

6. The licensees shall maintain the above-mentioned wharf in good order and repair, and shall at all times exhibit therefrom and maintain at their own cost suitable and necessary lights for the guidance of vessels; provided that no light shall be exhibited until after it has been approved of by the Minister.

7. Any person authorized by the Minister may at all reasonable times enter upon the said wharf and view the state of repair thereof; and upon such Minister leaving at or posting to the last known address of the licensees in New Zealand a notice in writing of any defect or want of repair in such wharf, requiring them, within a reasonable time, to be therein prescribed, to repair the same, they shall with all convenient speed cause such defect to be removed or such repairs to be made.

8. Nothing herein contained shall authorize the licensees to do or cause to be done anything repugnant to or inconsistent with any law relating to the Customs, or any regulation of the Minister of Customs, or with any provisions of the Harbours Act, 1908, or its amendments, or any regulations made thereunder, and that are now or may hereafter be in force.

9. The ballast of all vessels loading at the said wharf shall be taken away by the licensees and deposited above high-water mark, or at such place as may be approved of by the Minister or by any person appointed by the Minister for that purpose.

10. The rights, powers, and privileges conferred by or under this Order in Council shall continue to be in force for fourteen years from the date hereof, unless in the meantime such rights, powers, and privileges shall be altered, modified, or revoked by competent authority; and the licensees shall not assign, charge, or part with any such right, power, or privilege without the written consent of the Minister first obtained.

11. The said rights, powers, and privileges may be at any time resumed by the Governor, without payment of any compensation whatever, on giving to the licensees three calendar months' previous notice in writing. Any such notice shall be sufficient if given by the Minister and delivered at or posted to the last known registered office of the licensees in New Zealand.

12. The licensees shall be liable for any injury which the said wharf may cause any vessel or boat to sustain through any default or neglect on the part of the licensees.

13. In case the licensees shall—

- (1.) Commit or suffer a breach of the conditions herein before set forth, or any of them;
- (2.) Cease to use or occupy the said wharf for a period of thirty days;
- (3.) Become bankrupt; or
- (4.) Fail to pay the sums specified in clause 3 of these conditions,—

then and in either of the said cases this Order in Council, and every license, right, power, or privilege, may be revoked and determined by the Governor in Council without any notice to the licensees or other proceeding whatsoever; and publication in the *New Zealand Gazette* of an Order in Council containing such revocation shall be sufficient notice to the licensees, and to all persons concerned or interested, that this Order in Council, and the license, rights, and privileges thereby granted and conferred, have been revoked and determined.

14. The erection of the said wharf shall be sufficient evidence of the acceptance by the licensees of the terms and conditions of this Order in Council.

Clerk of the Executive Council.
