

or extra-high-pressure lines, and shall be subject to the regulations governing high-pressure and extra-high-pressure lines respectively.

(f.) In the event of any dispute as to whether or not telegraph lines are menaced by the electric lines, the decision of the Minister of Telegraphs shall be final.

5. NOTICES *re* EXTENSIONS, ETC.

Records of results of tests (Regulation 37), and notices *re* commencement of work (Regulation 44) and *re* extensions and alterations (Regulation 49), should be sent to the Under-Secretary, Public Works Department, Wellington, and to the Telegraph Engineer of the district, or his deputy, at present stationed at Wellington.

6. CHARGES FOR ELECTRICAL ENERGY.

The charge for electrical energy shall not exceed 10d. per unit for lighting purposes, and 5d. per unit for motor-power, heating, or cooking purposes; provided that "lighting purposes" shall include the operation of motor generators for lighting purposes.

7. WIRING CONSUMERS' PREMISES.—MONOPOLY FORBIDDEN.

The licensee shall not grant or agree to grant any company, firm, or person the sole right to supply or erect the electric wiring on any consumer's premises, nor shall any consumer be required to purchase from the licensee or its assigns any material or apparatus for installing the electric wiring on such premises, or to have the work carried out by the licensee or its assigns, as a condition precedent to a supply of electrical energy being given by the licensee to the consumer.

8. DURATION OF LICENSE.

This license shall, unless sooner determined in accordance with the provisions of the regulations, continue in force for a period of forty-two years from the date hereof. Upon the expiry of the said term, or upon the sooner determination of this license by revocation or otherwise, all rights hereby granted to the licensee shall thereupon cease and determine; but such expiration or determination shall not relieve the licensee of any liability theretofore incurred under this license.
