Special Licensing Poll to be taken on 10th April, 1919.—Notice to Returned Soldiers.

Chief Electoral Office,
Wellington, 20th February, 1919.

EVERY member of the Expeditionary Forces who has already returned to New Zealand should make application for enrolment on the regular electoral roll of the district in which he resided before he left New Zealand. He has not lost his right to be so enrolled by reason of his absence

on military service. If on the day of the poll he expects to be resident out of that district, he can obtain an absent voter's permit.

The rolls for the special licensing poll close finally on the 6th of March, and application for enrolment must be made on or before that date.

Returned soldiers who have already been discharged, or whose discharges will become final before the 10th of April, must observe that inasmuch as they have ceased, or will have ceased, to be members of the Expeditionary Forces they can only vote on the 10th of April as electors of a district, and cannot have their votes recorded under the special provisions permitted by the law for existing members of the Expeditionary Forces. The above applies to all returned soldiers who have already arrived, and to all returned soldiers who may arrive before the 3rd of March next.

Members of the Expeditionary Forces who arrive on or after the 3rd of March and before the 10th of April will not be finally discharged until the 11th of April, and will remain members of the Expeditionary Forces and be entitled to record their votes as such under the special regulations provided in that behalf.

J. HISLOP,
Chief Electoral Officer.
