

Warrant apportioning the Annual Payments of Interest and other Charges in respect of certain Loans originally raised by the Wanganui County Council and the Late Upper Wangaehu Road Board, between the Councils of the Counties of Wanganui and Rangitikei.

LIVERPOOL, Governor-General.

WHEREAS by section seventy-three of the Local Bodies' Loans Act, 1913, it is, *inter alia*, provided that where part only of any area over which a special rate is made as security for a loan is merged or included within the district of a local authority other than the local authority that made the rate, then the whole of the liability in respect of the loan shall continue to be a liability of the local authority that raised the loan, but that the Governor-General may, upon the written application of that local authority, by Warrant under his hand, direct that any local authority in whose district part of such area has been merged or included shall pay annually to the first-mentioned local authority during the currency of the loan, on such date as is specified, such amount as he considers a duly proportionate part of the interest and other charges in respect of the loan:

And whereas parts of the areas over which the special loans of which particulars are given in the Schedule hereto were raised by the Council of the County of Wanganui and the late Upper Wangaehu Road Board (which Board has since been dissolved and the road district merged, and now is partly in the County of Rangitikei and partly in the County of Wanganui):

And whereas it has been mutually agreed between the Councils of the Counties of Wanganui and Rangitikei that the amounts hereinafter mentioned shall be paid annually by the Rangitikei County Council to the Wanganui County Council as its duly proportionate part of the interest and other charges in respect of the said loans:

And whereas written application has been made by the Wanganui County Council to direct accordingly:

Now, therefore, I, Arthur William de Brito Savile, Earl of Liverpool, the Governor-General of the Dominion of New Zealand, in pursuance and exercise of the power and authority conferred on me by section seventy-three of the Local Bodies' Loans Act, 1913, do hereby direct that the Rangitikei County Council shall, in respect of the loans specified in the Schedule hereto, pay annually to the Wanganui County Council, on the first day of February in each and every year during the remaining currency of the said loans, the respective amounts set out in the said Schedule as its duly proportionate part of the interest and other charges payable in respect of each of the said loans respectively.
