Classification of Assistant Teachers in Technical Schools and of Manual-training Teachers.

THE following lists of assistant teachers employed in technical schools, and recognized technical classes, and recognized manual-training classes, or classified for employment in such schools or classes, are issued under the authority of the Minister of Education, in accordance with the regulations relating to technical schools, recognized technical classes, and recognized manual-training classes, made by Order in Council dated the 8th December, 1920.

Under the heading "Division" is shown the division and class in which the teacher is classified.

The class of salary corresponding with the class and division in which the teacher is placed is given in the Schedule to the aforementioned regulations for the classification of teachers in technical schools and classes and teachers of manual-training classes.
