

Executive Council of the said Dominion, doth hereby approve of the purpose or object for which the said license is required by the company as aforesaid; and, in further pursuance and exercise of the said power and authority, and by and with the like advice and consent as aforesaid, doth hereby license and permit the company to use and occupy that part of the foreshore and land below low-water mark which is particularly shown and delineated on the plans so deposited as aforesaid, for the purpose of constructing thereon timber-booms in accordance with the said plans, such license to be held and enjoyed by the company upon and subject to the terms and conditions set forth in the Schedule hereto.

#### SCHEDULE.

1. In these conditions the term "Minister" means the Minister of Marine as defined by the Shipping and Seamen Act, 1908, and includes any officer, person, or authority acting by or under the direction of such Minister.

2. The concessions and privileges conferred by this Order in Council shall extend and apply only to the part of the foreshore and land below low-water mark necessary for the construction of the timber-booms, as shown on plans M.D. 5241.

3. In consideration of the concessions and privileges granted by this Order in Council the company shall, on being supplied with a copy thereof, pay to the Minister the sum of £2 10s., and thereafter an annual sum of £1 in advance, such annual payments to date from the date hereof, the first of such annual payments to be made on the company being supplied with a copy of this Order in Council.

4. The rights, powers, and privileges conferred by this Order in Council shall continue in force for fourteen years from the date hereof, unless in the meantime such rights, powers, and privileges shall be altered, modified, or revoked by competent authority; and the company shall not assign, charge, or part with any such right, power, or privilege without the previous written consent of the Minister first obtained.

5. His Majesty or the Governor-General, and all officers in the Government service acting in the execution of their duty, shall at all times have free ingress, passage, and egress into, through, over, and out of the said timber-booms without payment.

6. The said rights, powers, and privileges may be at any time resumed by the Governor-General, and the company may be required to remove the timber-booms at its own cost, without payment of any compensation, on giving to the company three months' previous notice in writing. Any such notice shall be sufficient if given by the Minister and delivered at or posted to the last known address of the company in New Zealand.

7. The company shall maintain the above-mentioned timber-booms in good order and repair; and shall at all times exhibit therefrom, and maintain at its own cost, any lights that may be required by the Minister: Provided that no light shall be exhibited until after it has been approved of by the Minister.

8. Any person authorized by the Minister may, at all reasonable times, enter upon the said timber-booms and view the state of repair thereof; and upon such Minister leaving at or posting to the last known address of the company a notice in writing of any defect or want of repair in such timber-booms, requiring it, within a reasonable time, to be therein prescribed, to repair the same, it shall with all convenient speed cause such defect to be removed or such repairs to be made.

9. The company shall be liable for any injury which may be sustained by any vessel or boat in passing the timber-booms, or by contact therewith, and which may be occasioned by any default or neglect on the part of the company.

10. In case the company shall—

- (1.) Commit or suffer a breach of the conditions hereinbefore set forth, or any of them;
- (2.) Cease to use or occupy the said timber-booms for a period of thirty days;
- (3.) Fail to pay the sums specified in clause 3 of these conditions; or
- (4.) Be wound up or dissolved,—

then, and in any of the said cases, this Order in Council, and every right, power, or privilege, may be revoked and determined by the Governor-General in Council without any notice to the company or other proceedings whatsoever; and publication in the *New Zealand Gazette* of an Order in Council containing such revocation shall be sufficient notice to the company, and to all persons concerned or interested, that this Order in Council, and the rights and privileges thereby conferred, have been revoked and determined; and upon such revocation the Minister may cause the said timber-booms to be removed, and may recover the costs incurred by any such removal from the company.

11. The construction of the timber-booms shall be deemed to be an acceptance by the company of the conditions of this Order in Council.
