

11. Every manager of a technical school elected or appointed under these regulations shall come into office on the date of his election or appointment, and shall continue in office until the election or appointment of his successor.

12. In any case in which an election or an appointment of managers as hereinbefore provided has not been held, the Minister, if he is satisfied that the failure to elect or appoint is not due to any default on the part of the controlling authority or of any appointing body, may fix a time and place for the election or the appointment of managers, and the foregoing provisions of these regulations shall thereupon be observed so far as applicable as if the time and place for such election or appointment had been fixed as therein provided. Pending such election or appointment the managers previously elected or appointed shall continue to hold office.

13. The provisions of subsection (1) of section 20 of the Education Act, 1914, shall apply in the case of Boards of Managers of technical schools.

14. Any vacancy occurring under the last preceding regulation shall be deemed to be a casual vacancy, and shall be filled within thirty days after the occurring thereof, and the manager filling the same shall hold office only for the residue of the term of the vacating manager. Every vacancy shall be filled by the same electing or appointing body as in the case of the vacating manager. The name of the manager elected or appointed shall be forthwith forwarded to the Minister by the controlling authority.
