

hereinafter set forth, a stream of water (hereinafter referred to as "the said water") not exceeding thirty cubic feet per second at any one time; and also to erect and maintain electric lines for power, lighting, heating, or other uses within the area of supply hereinafter described; and subject to the regulations dated the twenty-second day of September, one thousand nine hundred and nineteen, and published in the *New Zealand Gazette* of the twenty-fifth day of the same month, or any regulations hereafter made in amendment thereof or in substitution therefor (and hereinafter collectively referred to as "the regulations"), and which regulations shall be deemed to be incorporated herein; but nothing herein shall be held to guarantee that the said creek contains sufficient water to supply the thirty cubic feet per second hereinbefore mentioned.

SCHEDULE.

1. PLANS.

THE licensee shall, before the works hereby authorized are commenced, forward for the approval of the Minister of Public Works (hereinafter referred to as "the Minister")—

- (a.) Full detailed drawings and specifications of the diverting weir and dam.
- (b.) Drawings showing how and in what manner the water diverted is to be returned to the said creek.
- (c.) Contour-plan showing difference in level of water due to the construction of the headworks.

2. UTILIZATION OF THE WATER.

The said water shall be used solely for the purpose of generating electricity, and shall be returned to the said creek at or near the power-house.

3. LOCATION OF HEADWORKS.

The said water shall be taken from the said creek, at the headworks situated in Section 7, Block IX, Tutaki Survey District, at a point indicated on the plan marked P.W.D. 49684, deposited in the office of the Minister at Wellington.

4. GENERAL DESCRIPTION OF WORKS.

The licensee is hereby authorized to construct, maintain, and use the following works for the purposes of this license; the position of the said works being indicated on the plans marked P.W.D. 49140, 49683, and 49684, deposited in the office of the Minister at Wellington:—

- (a.) Headworks consisting of a weir and necessary intake.
- (b.) A race and pipe-line leading from such weir to the power-house hereinafter referred to.
- (c.) A power-house with all necessary equipment, including water-turbines, generators, transformers, lightning-arresters, switch-boards, switches, exciters, and other appliances for generating electricity.
- (d.) Transmission and other lines over the routes shown by means of yellow and green lines on the said plans marked P.W.D. 49683 and 49140.
- (e.) Such further transmission and other lines within the area of supply as may from time to time be required within such area of supply, and after compliance with the provisions of clause 48 of the regulations.

5. INSPECTION OF WORKS.

The Inspecting Engineer, both during and after the construction of the works, shall have free access to and liberty at any time to inspect the same so as to ensure that the provisions of this license are given due effect to.

6. MAINTENANCE OF WORKS.

After the said works have been completed, the licensee shall maintain the same in proper working-order during the continuance of this license.

7. RIGHT TO ENTER LANDS, ETC.

The licensee shall have the right at any time or times during the continuance of this license, with the consent of the Minister, to enter upon any road or other land, whether vested in or occupied by the Crown or any other person or body corporate, and there to construct, erect, lay down, maintain, renew, or repair all such transmission-lines, poles, or other things as are required for the transmission of electricity between the generating-stations and any of the substations to which this license applies.

8. POWER TO TAKE LAND.

The licensee is hereby empowered to take, under the Public Works Act, 1908, as for a public work such land as may, in the opinion of the Governor-General, be necessary to enable the licensee to construct and maintain the various works authorized by this license.

9. DURATION OF LICENSE.

This license shall, unless sooner determined in accordance with the provisions hereinafter expressed, continue in force for a period of forty-two years from the date hereof. Upon the expiry of the said term, or upon the sooner determination of this license by revocation or otherwise, all rights hereby granted to the licensee shall thereupon cease and determine;

but such expiration or determination shall not relieve the licensee of any liability theretofore incurred under this license.

10. RENTAL.

The licensee shall, in respect of this license, pay to the Public Works Engineer for the district, or otherwise as the Minister may from time to time require, a rental at the rate of 1s. per annum per kilowatt of maximum output, as recorded by the wattmeter to be installed by the licensee at the power-house mentioned in clause 4 (c) hereof, payment to be made yearly for the period ending on the 31st day of March in each year, commencing from the day electrical power is first supplied. "Maximum output" means twice the number of units generated in the half-hour during which the number of units generated is a maximum for the year. For this purpose the units generated shall be recorded at the end of each half-hour commencing from noon of each day. The minimum rental shall be not less than £10 per annum.

11. GRANTING OF OTHER WATER-RIGHTS.

Nothing herein shall prevent the Governor-General in Council from granting to any person or body corporate other than the licensee a license to take water from any portion of the said creek, except at the place where the licensee is by this license empowered to take it; provided that no such license shall so operate as to reduce the natural fall between the headworks and tail-water, or the volume of the water which the licensee is by this license authorized to take from the said creek.

12. VARIATION IN CONDITIONS OF LICENSE.

The terms and conditions of this license may at any time or from time to time, at the request or with the consent in writing of the licensee, be altered by the Governor-General by Order in Council.

13. SURRENDER OF LICENSE.

The licensee may at any time, with the consent of the Minister, surrender this license, and shall thereupon, if so required by the Minister, remove from the ground all removable equipment, machinery, buildings, poles, transmission-lines, and other plant herein authorized to be installed or provided. If the licensee fails or neglects so to remove the said plant within twelve months after being required so to do, such equipment, machinery, buildings, poles, lines, and other plant shall, without payment or compensation, vest in and become the property of the Crown.

14. CHARGES FOR ELECTRIC ENERGY.

The charge for electrical energy shall not exceed 1s. 3d. per unit for lighting purposes, and 6d. per unit for motor-power, heating, or cooking purposes; provided that "lighting purposes" shall include the operation of motor generators for lighting purposes; provided also that if accounts are paid within fourteen days after due date the charges shall not exceed 1s. and 4d. respectively.

15. AREA OF SUPPLY.

The area of supply comprises portion of the Murchison County, comprising Blocks XV and XVI, Lyell Survey District, Blocks XIII and XIV, Matiri Survey District, Blocks III and IV, Maruia Survey District, and Blocks I, II, V, VI, IX, and X, Tutaki Survey District, as indicated by a distinctive border coloured red on the said plan marked P.W.D. 49140.

16. SYSTEM OF SUPPLY.

The system of supply shall be as described in paragraph (e) of clause 3 of the regulations.

The generating voltage shall be approximately 3,300 volts between the terminals.

17. DATUM TEMPERATURE.

For the purposes of calculating stresses as provided in clause 15 of the regulations, the datum temperature shall be taken as 20 degrees Fahrenheit.

18. COMPENSATION PAYABLE FOR LAND INJURIOUSLY AFFECTED, ETC.

In respect of all land injuriously affected, and in respect of all damage done by the exercise of any of the powers conferred upon the licensee by this license, the licensee shall from time to time, as and when any such injury or damage accrues or happens, pay compensation in accordance with the provisions of the Public Works Act, 1908, in the same manner (subject to all necessary modifications) as if such licensee were a local authority and the claim was one for injury or damage arising out of the construction of a public work.

19. CROWN NOT LIABLE TO PAY COMPENSATION.

Nothing in this license shall be held to cast upon or imply any liability upon His Majesty the King or upon the Government of New Zealand to pay compensation to any person, corporate body, or local authority by reason of the exercise by the licensee of the authority hereby granted; but the licensee shall be liable for any loss or damage which any
