*The Census and Statistics Act, 1910.—Agricultural and Pastoral Statistics.*

Census and Statistics Office, Wellington, 27th October, 1921.

THE following tables are supplementary to those published in the *Gazette* on the 20th September. It is regretted that pressure of work consequent on the taking of the Population Census has not permitted the tabulation of cattle breeds to be as well advanced as would be desired; but it is hoped that this information will be available shortly.
