And whereas the Minister of Finance has given his precedent consent as required by the above-recited section eleven, and it is desired that the rate of interest at which the said eight thousand five hundred pounds may be borrowed be increased to not exceeding six and a half per centum per annum:

Now, therefore, His Excellency the Governor-General of the Dominion of New Zealand, acting by and with the advice and consent of the Executive Council of the said Dominion, doth hereby prescribe that the rate of interest that may be paid by the Wellington City Council in respect of the said eight thousand five hundred pounds shall be a rate not exceeding six and a half per centum, and the said Wellington City Council is hereby authorized to borrow the said sum of eight thousand five hundred pounds accordingly.
