(4.) Every person who unlawfully takes or kills any animal within a sanctuary is liable to a fine of ten pounds for every such offence, and to a further fine of one pound for each animal so taken or killed.

SECTION 11. (1.) No imported or native game shall be trapped or taken by means of traps or by any other means than by hunting or shooting, nor shall any trap, net, or snare be erected or set for the purpose of such trapping or taking at any time whatever, except by persons duly authorized under section thirty-one of the Animals Protection and Game Act, 1921-22.

Provided, however, that the owner of property, or any one son or daughter of each owner, may take or kill without license during an open season imported or native game which may be taken in the acclimatization district in which such owner's property is situated, or the owner may in writing appoint one other person to shoot in his stead.

The fee for a license to take or kill both imported and native game is one pound (£1): Provided that in the North and South Canterbury Acclimatization Districts a separate license to take or kill native game may be issued at a fee of ten shillings (10s.); and a similar fee is payable in the case of the Ashburton, Southland, Waitaki, and Westland Districts wherein native game only may be taken or killed during the present season.
