Clerk of the Executive Council.

License authorizing the Wairarapa Electric-power Board to use Water from the Kourarau Stream and its Tributaries for the Purpose of generating Electricity, and to use Electric Lines within the Wairarapa Electric-power District and Outer Area.

JELLICOE, Governor-General.

ORDER IN COUNCIL.

At the Government House at Wellington, this 17th day of November, 1922.

Present:

HIS EXCELLENCY THE GOVERNOR-GENERAL IN COUNCIL.

IN pursuance and exercise of the powers conferred by the Public Works Amendment Act, 1908, the Public Works Amendment Act, 1911, and of all other powers in anywise enabling him in this behalf, His Excellency the Governor-General of the Dominion of New Zealand, acting by and with the advice and consent of the Executive Council of the said Dominion, doth—subject to the conditions set forth in the Schedule hereto, and to the regulations made under section two of the Public Works Amendment Act, 1911, and dated the ninth day of October, one thousand nine hundred and twenty-two, published in the *New Zealand Gazette* of the twelfth day of the same month, or any regulations hereafter made in amendment thereof or in substitution therefor (and hereinafter collectively referred to as “the regulations”), and which regulations shall be deemed to be incorporated herein—hereby grant to the Wairarapa Electric-power Board (hereinafter with its successors and assigns referred to as “the licensee”) a license to take and use from Kourarau Stream and its tributaries (hereinafter referred to as “the said stream”), in the Wellington Land District, for the purposes hereinafter set forth, streams of water (hereinafter referred to as “the said water”) not exceeding fifty cubic feet per second at any one time; and also to use electric lines for power, lighting, heating, or other uses within the area of supply hereinafter described, such electric lines at present proposed to be used being indicated on the plan marked P.W.D. 54897, and deposited in the office of the Minister of Public Works at Wellington, in the Wellington Land District; but nothing herein shall be held to guarantee that the said streams contain sufficient water to supply fifty cubic feet per second hereinbefore mentioned.

SCHEDULE.

1. UTILIZATION OF THE WATER.

The said water shall be used solely for the purpose of generating electricity, and shall be returned to the Kourarau River at or near the power-houses.

2. LOCATION OF HEADWORKS.

The said water shall be taken from the said stream at the headworks, situated at points indicated on the plan marked P.W.D. 54831, deposited in the office of the Minister at Wellington, in the Wellington Land District.

3. MAINTENANCE OF WORKS.

After the said works have been completed the licensee shall maintain the same in proper working-order during the continuance of this license.

4. DURATION OF LICENSE.

This license shall, unless sooner determined in accordance with the provisions hereinafter expressed, continue in force for a period of forty-two years from the date hereof. Upon the expiry of the said term, or upon the sooner determination of this license, by revocation or otherwise, all rights hereby granted to the licensee shall thereupon cease and determine, but such expiration or determination shall not relieve the licensee of any liability theretofore incurred under this license.

5. RENTAL.

The licensee shall, in respect of this license, pay to the Public Works Engineer for the district, or otherwise as the Minister may from time to time require, a rental at the rate of 1s. per annum per kilowatt of maximum output, as recorded by the wattmeter to be installed by the licensee at the power-houses mentioned herein; payment to be made yearly on the 31st day of March in each year, commencing from the day electrical power is first supplied. For the purposes of this clause “maximum output” means twice the number of units generated in the half-hour during which the output is the maximum for the year. The said period shall be recorded at the end of each half-hour commencing from noon of each day. The minimum rental shall not be less than £10 per annum.

6. GRANTING OF OTHER WATER-RIGHTS.

Nothing herein shall prevent the Governor-General in Council from granting to any person or body corporate other than the licensee a license to take water from any portion of the said stream, except at the place where the licensee is by this license empowered to take it; provided that no such license shall so operate as to reduce the natural fall between the headworks and tail-water, or the volume of the water which the licensee is by this license authorized to take from the said stream.

7. VARIATION IN CONDITIONS OF LICENSE.

The terms and conditions of this license may at any time or from time to time, at the request or with the consent in writing of the licensee, be altered by the Governor-General by Order in Council.

8. SURRENDER OF LICENSE.

The licensee may at any time, with the consent of the Minister, surrender this license, and shall thereupon, if so required by the Minister, remove from the ground all removable equipment, machinery, buildings, poles, transmission-lines, and other plant authorized to be installed or provided. If the licensee fails or neglects so to remove the said plant within twelve months after being required so to do, such equipment, machinery, buildings, poles, lines, and other plant shall, without payment or compensation, vest in and become the property of the Crown.

9. CHARGES FOR ELECTRICAL ENERGY.

The charges for electrical energy shall not exceed 1s. per unit for lighting purposes, and 6d. per unit for motor-power, heating, or cooking purposes; provided that “lighting purposes” shall include the operation of motor generators for lighting purposes; and provided further that if accounts are paid within fourteen days of due date the charges shall not exceed 9d. per unit for lighting purposes and 4½d. per unit for motor-power, cooking, or heating purposes.

In the case of wholesale supply the charge shall not exceed £12 per kilovolt-ampere per year plus ½d. per unit. “Wholesale supply” for this purpose shall be held to be a supply in respect of which the consumer shall guarantee to pay not less than £150 per year.

10. AREA OF SUPPLY.

The area of supply comprises the Wairarapa Electric-power District and outer area duly constituted by Proclamation dated the 23rd day of March, 1920, and published in the *New Zealand Gazette* No. 32, of the 25th idem, less the area comprising the Mauriceville County.
