

Teachers holding Certificates or Licenses under the Education Act, 1914.

Education Department,
Wellington, 9th April, 1923.

THE following lists of teachers are issued under the authority of the Minister of Education in accordance with the regulations respecting teachers' certificates and the grading of primary school teachers.

Part I contains the names of certificated teachers who are at present employed in some form of public instruction, or who were so employed up to a few years ago. This list also serves the purpose of an alphabetical index to the general graded list of teachers published below in Part III.

The names of the teachers who are not known to have been engaged in teaching at any time during the past five years have been removed from the list, except when such teachers have made special application to be graded, and the retention of their names in the alphabetical list has been necessary to show their positions on the graded list. Teachers who applied to be graded and who are not employed in public primary schools have been awarded grading marks provisionally. These marks are subject to revision should the teachers obtain positions in public primary schools. The abbreviation "Prov." has been entered beside the grading numbers of the teachers so graded.

There is shown in each case the class of certificate held as defined by the regulations. Under the heading "Engagement," employment in the several classes of schools is indicated by the abbreviations shown in parentheses in each case: Public school (P.S.); Native Maori schools (Nat.); recognized classes under the Regulations for Manual and Technical Instruction (Tech.); schools in special Government institutions (Spec.); private schools registered under the Education Act, 1914 (Priv.); public secondary schools (Sec.); University Colleges (Univ.); training-colleges (Tr. C.); while students of training-colleges are indicated by "Norm." Inspectors of Schools by "Insp.," and other departmental certificated officers by "Dept." A blank opposite a name shows that the teacher is at present unemployed so far as is known to the Department. The district in which a public-school teacher is engaged may be ascertained by referring to the graded list.

Part II contains the names of teachers holding licenses to teach. The names of teachers whose licenses expired on the 31st December, 1922, are not included in this list.

Part III is the general graded list of primary school teachers.

J. CAUGHLEY,
Director of Education.
