J. G. COATES, Minister of Public Works

GOD SAVE THE KING!

Authorizing the Minister of Public Works to construct and maintain Water-supply Works in the Teviot Irrigation District.

JELlicoe, Governor-General.

ORDER IN COUNCIL.

At the Government House at Wellington, this 25th day of June, 1923.

Present:

HIS EXCELLENCY THE GOVERNOR-GENERAL IN COUNCIL.

WHEREAS it is provided by section two of the Public Works Amendment Act, 1910 (hereinafter called "the said Act"), that the Governor-General may, if he thinks fit, by Order in Council, authorize the Minister of Public Works to construct, maintain, or control any water-race or water-supply works, either within or outside a mining district, which are proposed to be constructed or which have been constructed out of funds provided by Parliament:

And whereas it is further provided by section five of the said Act that before any Order in Council is issued authorizing the said Minister to construct any water-race or water-supply works the owners or occupiers of all the lands likely to be benefited thereby shall be given an opportunity to enter into contracts with His Majesty to take water from such works when completed; and such contracts shall specify the quantity of water to be so taken, and the price or rate to be paid for same:

And whereas it is also provided by section five of the said Act that if at least one-half of the total number of those owners or occupiers enter into contracts to take such quantity of water as the Governor-General thinks reasonable, at such a price or rate as the Governor-General may approve, an Order in Council authorizing the construction of the works may be issued:

And whereas the water-supply works mentioned in the First Schedule hereto are proposed to be constructed out of the funds provided by Parliament:

And whereas at least one-half of the total number of the owners or occupiers of the lands which are likely to be benefited thereby have entered into contracts with His Majesty to take water from such works when completed, which contracts specify the quantity of water to be supplied:

Now, therefore, His Excellency the Governor-General of the Dominion of New Zealand, in pursuance and exercise of the powers conferred by the above-in-part-recited Act, and acting by and with the advice and consent of the Executive Council of the said Dominion, doth hereby approve and confirm the terms of the several contracts aforesaid, and doth hereby authorize the Minister of Public Works to construct, maintain, and control the water-supply works described in the First Schedule hereto.

FIRST SCHEDULE.

TEVIOT irrigation works, for the irrigation of the Teviot District as described in the Second Schedule hereto, by means of water drawn from the Teviot River, and any dam or dams which are or may be constructed or acquired on that stream or any other stream, such water being conveyed into the said district by the race known as Ewing's Race and by any extension thereof, or by any other race or races constructed or acquired by the Minister of Public Works in addition to or in lieu of the said Ewing's Race and extension thereof; the said works including all dams, weirs, reservoirs, tunnels, fluming, siphons, piping, measuring or regulating devices, and races, and all other works incidental to or required for the construction, maintenance, and control of the said works for the irrigation of the said Teviot District.

SECOND SCHEDULE.

TEVIOT IRRIGATION DISTRICT.
