

Viscount Jellicoe, Governor-General of the Dominion of New Zealand, do hereby proclaim that the Native land set out in the Schedule hereto has become Crown land.

SCHEDULE.

PART Pukenui 2q Section 4, being Section 7, Block XIX, Te Kuiti Native Township: Approximate area, 3 roods 18.7 perches.

Given under the hand of His Excellency the Governor-General of the Dominion of New Zealand, and issued under the Seal of that Dominion, this 7th day of August, 1923.

J. G. COATES, Native Minister.

GOD SAVE THE KING!

*Amending Regulations under the Fisheries Act, 1908.*

JELlicoe, Governor-General.  
ORDER IN COUNCIL.

At the Government House at Wellington, this 30th day of July, 1923.

Present:

HIS EXCELLENCY THE GOVERNOR-GENERAL IN COUNCIL.

WHEREAS by Order in Council dated the twenty-third day of May, one thousand nine hundred and six, and published in the *New Zealand Gazette* No. 41, of the thirty-first day of the same month, regulations were made with respect to oysters, fish, and seals inhabiting the waters in the Dominion of New Zealand:

And whereas it is desirable to amend the said regulations in the manner hereinafter described:

Now, therefore, His Excellency the Governor-General of the Dominion of New Zealand, in pursuance and exercise of the powers conferred upon him by the Fisheries Act, 1908, and acting by and with the advice and consent of the Executive Council of the said Dominion, doth hereby amend clause twenty-eight of the hereinbefore-recited regulations by revoking the following words: "This regulation shall have force and effect within the Provincial District of Auckland and the waters thereof."

Clerk of the Executive Council

*Authorizing the Minister of Public Works to construct and maintain Water-supply Works in the Tarras Irrigation District.*

JELlicoe, Governor-General.  
ORDER IN COUNCIL.

At the Government House at Wellington, this 6th day of August, 1923.

Present:

HIS EXCELLENCY THE GOVERNOR-GENERAL IN COUNCIL.

WHEREAS it is provided by section two of the Public Works Amendment Act, 1910 (hereinafter called "the said Act"), that the Governor-General may, if he thinks fit, by Order in Council, authorize the Minister of Public Works to construct, maintain, or control any water-race or water-supply works, either within or outside a mining district, which are proposed to be constructed or which have been constructed out of funds provided by Parliament:

And whereas it is further provided by section five of the said Act that before any Order in Council is issued authorizing the said Minister to construct any water-race or water-supply works the owners or occupiers of all the lands likely to be benefited thereby shall be given an opportunity to enter into contracts with His Majesty to take water from such works when completed; and such contracts shall specify the quantity of water to be so taken and the price or rate to be paid for same:

And whereas it is also provided by section five of the said Act that if at least one-half of the total number of those owners or occupiers enter into contracts to take such quantity of water as the Governor-General thinks reasonable, at such a price or rate as the Governor-General may approve, an Order in Council authorizing the construction of the works may be issued:

And whereas the water-supply works mentioned in the First Schedule hereto are proposed to be constructed out of the funds provided by Parliament:

And whereas at least one-half of the total number of the owners or occupiers of the lands which are likely to be benefited thereby have entered into contracts with His Majesty to take

water from such works when completed, which contracts specify the quantity of water to be supplied:

Now, therefore, His Excellency the Governor-General of the Dominion of New Zealand, in pursuance and exercise of the powers conferred by the above-in-part-recited Act, and acting by and with the advice and consent of the Executive Council of the said Dominion, doth hereby approve and confirm the terms of the several contracts aforesaid, and doth hereby authorize the Minister of Public Works to construct, maintain, and control the water-supply works described in the First Schedule hereto.

FIRST SCHEDULE.

TARRAS irrigation works, for the irrigation of the Tarras District as described in the Second Schedule hereto, by means of water drawn from the Lindis River, and any dam or dams which are or may be constructed or acquired on that river or any other stream, such water being conveyed into the said district by the race known as R. K. Smith's Race, or by any enlargement or extension thereof, or by any other race or races constructed or acquired by the Minister of Public Works in addition to or in lieu of the said R. K. Smith's Race or any enlargement or extension thereof; the said works including all dams, weirs, reservoirs, tunnels, fluming, siphons, piping, measuring or regulating devices, and races, and all other works incidental to or required for the construction, maintenance, and control of the said works for the irrigation of the said Tarras District.

SECOND SCHEDULE.
