Present :

THE RIGHT HONOURABLE W. F. MASSEY, P.C., PRESIDING IN COUNCIL.

WHEREAS it is provided by section two of the Public Works Amendment Act, 1910 (hereinafter called "the said Act"), that the Governor-General may, if he thinks fit, by Order in Council authorize the Minister of Public Works to construct, maintain, or control any water-race or water-supply works, either within or outside a mining district, which are proposed to be constructed or which have been constructed out of funds provided by Parliament :

And whereas it is further provided by section five of the said Act that before any Order in Council is issued authorizing the said Minister to construct any water-race or water-supply works the owners or occupiers of all the lands likely to be benefited thereby shall be given an opportunity to enter into contracts with His Majesty to take water from such works when completed; and such contracts shall specify the quantity of water to be so taken, and the price or rent to be paid for the same :

And whereas it is also provided by section five of the said Act that if at least one-half of the total number of those owners or occupiers enter into contracts to take such quantity of water as the Governor-General thinks reasonable, at such a price or rate as the Governor-General may approve, an Order in Council authorizing the construction of the works may be issued :
