

6. The licensee shall maintain the above-mentioned jetty in good order and repair, and shall at all times exhibit and maintain at the licensee's own cost suitable and necessary lights for the guidance of vessels; provided that no light shall be exhibited until after it has been approved of by the Minister.

7. Any person authorized by the Minister may at all reasonable times enter upon the said jetty and view the state of repair thereof; and upon such Minister leaving at or posting to the last known address of the licensee in New Zealand a notice in writing of any defect or want of repair in such jetty, requiring the licensee, within a reasonable time, to be therein prescribed, to repair the same, the licensee shall with all convenient speed cause such defect to be removed or such repairs to be made, as the case may be.

8. Nothing herein contained shall authorize the licensee to do or cause to be done anything repugnant to, or inconsistent with, any law relating to the Customs, or with any regulation of the Minister of Customs, or with any provisions of the Harbours Act, 1923, or its amendments, or any regulation made thereunder, and that are now or may hereafter be in force.

9. The rights, powers, and privileges conferred by this Order in Council shall continue in force for fourteen years from the date hereof, unless in the meantime such rights, powers, and privileges shall be altered, modified, or revoked by competent authority; and the licensee shall not assign, charge, or part with any such rights, powers, or privileges without the previous written consent of the Minister first obtained.

10. The said rights, powers, and privileges may be at any time resumed by the Governor-General, without payment of any compensation whatever, on giving to the licensee three calendar months previous notice in writing. Any such notice shall be sufficient if given by the Minister, and delivered at or posted to the last known address of the licensee in New Zealand.

11. The licensee shall be liable for any injury which the said jetty may cause any vessel or boat to sustain through any default or neglect of the licensee's part.

12. In case the licensee shall—

- (1.) Commit or suffer a breach of the conditions hereinafter set forth, or any of them; or
- (2.) Cease to use or occupy the said jetty for a period of thirty days; or
- (3.) Fail to pay the sums specified in clause 3 of these conditions; or
- (4.) Become bankrupt or be brought under the operation of any law for the time being in force relating to bankruptcy,

then and in any of the said cases this Order in Council, and every license, right, power, or privilege thereby conferred, may be revoked and determined by the Governor-General in Council without any notice to the licensee or other proceeding whatsoever; and publication in the *New Zealand Gazette* of any Order in Council containing such revocation shall be sufficient notice to the licensee, and to all persons concerned or interested, that this Order in Council, and the license rights, and privileges thereby conferred, have been revoked and determined; and upon such revocation the Minister may cause the said jetty to be removed, and may recover the cost incurred by any such removal from the licensee.

13. The erection of the said jetty shall be sufficient evidence of the acceptance by the licensee of the terms and conditions of this Order in Council.
