Authorizing the Minister of Public Works to construct and maintain Water-supply Works in the Galloway Irrigation District.

JELlicoe, Governor-General.

ORDER IN COUNCIL.

At the Government House at Wellington, this 5th day of May, 1924.

Present:

HIS EXCELLENCY THE GOVERNOR-GENERAL IN COUNCIL.

WHEREAS it is provided by section two of the Public Works Amendment Act, 1910 (hereinafter called the said Act), that the Governor-General may, if he thinks fit, by Order in Council, authorize the Minister of Public Works to construct, maintain, or control any water-race or water-supply works, either within or outside a mining district, which are proposed to be constructed, or which have been constructed, out of funds provided by Parliament:

And whereas it is further provided by section five of the said Act that before any Order in Council is issued authorizing the said Minister to construct any water-race or water-supply works the owners or occupiers of all the lands likely to be benefited thereby shall be given an opportunity to enter into contracts with His Majesty to take water from such works when completed; and such contracts shall specify the quantity of water to be so taken, and the price or rate to be paid for the same:

And whereas it is also provided by section five of the said Act that if at least one-half of the total number of those owners or occupiers enter into contracts to take such quantity of water as the Governor-General thinks reasonable, at such price or rate of payment as the Governor-General may approve, an Order in Council authorizing the construction of the works may be issued:

And whereas the water-supply works mentioned in the First Schedule hereto have been partly constructed, and it is proposed to complete the construction of the said works out of the funds provided by Parliament:

And whereas at least one-half of the total number of the owners or occupiers of the land which are likely to be benefited thereby have entered into contracts with His Majesty to take water from such works when completed, which contracts specify the quantity of water to be taken and the price to be paid for the same:

Now, therefore, His Excellency the Governor-General of the Dominion of New Zealand, in pursuance and exercise of the powers conferred by the Public Works Amendment Act, 1910, and section one hundred and seven of the Reserves and other Lands Disposal and Public Bodies' Empowering Act, 1923, and acting by and with the advice and consent of the Executive Council of the said Dominion, doth hereby approve and confirm the terms of the several contracts aforesaid, and doth hereby authorize the Minister of Public Works to construct, maintain, and control the water-supply works described in the First Schedule hereto, and doth hereby also define the district to be served by such water-supply works as set out in the Second Schedule hereto, and herein referred to as the Galloway Irrigation District.

FIRST SCHEDULE.

The Galloway Irrigation Works, for the irrigation of the Galloway Irrigation District by means of water drawn from the Manorburn Stream, and any dam or dams which are or may be constructed or acquired on that river or its tributaries, such water being conveyed into the said district by the races known as the Lower Bonanza and Galloway Races, or by any enlargement or extension thereof, or any other race or races constructed or acquired by the Minister of Public Works in addition to or in lieu of the said Lower Bonanza and Galloway Races, the said works including all dams
