

proportion of the substance or compound, and the manner in which and the time during which the same must be used or allowed to act in order that it may be effective as a disinfectant or germicide.

(4.) No person shall sell any package on which the word "disinfectant" or the word "germicide" appears in any label accompanying it which contains any substance or compound which when used in the strength or proportion and for the time set forth in the label is not effective for the purpose of killing the germs of diseases.

*Labelling of Antiseptics.*

(5.) There shall be written in the label attached to every package which contains or purports to contain an antiseptic, in bold-faced sans-serif capital letters of not less than twelve points face-measurement, in such colours as to afford a distinct colour contrast to the ground, the word "antiseptic." The said word shall be the first word of the label, and no other word shall appear on the same line.

(6.) There shall also be written in the label attached to every package which contains or purports to contain an antiseptic explicit information and, in legible type, directions as to the strength or proportion of the substance or compound, and the manner in which the same must be used or allowed to act in order that it may be effective as an antiseptic.

(7.) No person shall sell any package on which the word "antiseptic" or the word "preservative" appears in any label accompanying it which contains any substance or compound which when used in the strength or proportion set forth in the label is not effective for the purpose of preventing the development of germs and the decomposition of animal or vegetable substances.

*Labelling of Deodorants.*

(8.) There shall be written in the label attached to every package which contains or purports to contain any substance described as a deodorant, in bold-faced sans-serif capital letters of not less than eighteen points face-measurement, in such colours as to afford a distinct colour contrast to the ground, the word "deodorant." The said word shall be immediately followed by the words "this substance is not a disinfectant or germicide," which words shall be written in bold-faced sans-serif capital letters of not less than twelve points face-measurement.

(9.) There shall also be written in the label attached to every package which contains or purports to contain a deodorant explicit information and directions as to the strength or proportion of the substance or compound, and the manner in which and the time during which the same must be used or allowed to act in order that it may be effective as a deodorant.

(10.) No person shall pack a disinfectant or poisonous substance of any description in a container which bears upon it any brand, mark, or statement indicating the presence in such container of food, or which may be capable of misleading a purchaser into the belief that the contents of such container are for the purpose of human consumption.

PENALTIES FOR BREACHES.

87. Any person who contravenes or fails to comply with any provision of these regulations, or sells any food or drug contained in a package which is not labelled as prescribed by these regulations, shall be liable on conviction to a penalty of not more than fifty pounds, and for a continuing offence not more than two pounds for every day during which the offence shall be continued.
