

3. DURATION OF LICENSE.

This license shall, unless sooner determined in accordance with the provisions hereinafter expressed, continue in force for a period of forty-two years from the date hereof. Upon the expiry of the said term, or upon the sooner determination of this license by revocation or otherwise, all rights hereby granted to the licensee shall thereupon cease and determine, but such expiration or determination shall not relieve the licensee of any liability theretofore incurred under this license.

4. LOCATION OF OVERHEAD LINES.

Notwithstanding anything hereinbefore contained, one side of every road or street shall be left free by the licensee for telegraph-lines. Lines shall not be erected on both sides of a road or street unless the permission of the Minister of Telegraphs or the Post and Telegraph Department is first obtained in accordance with clause 5 of the regulations. Except at crossing-places, the minimum separation between a telephone-line and poles carrying high or extra-high tension circuits shall be equal to the height of the taller pole.

5. INTERCHANGE OF SUPPLY OF ELECTRICAL ENERGY.

(a.) The Minister may require the licensee to connect its electrical system with the Minister's electrical system (three phase alternating current) in such a manner that an interchange of electrical energy between the two systems may be made from time to time and when required by either the licensee or the Minister, up to at least one-half of the total capacity of the plant installed at the licensee's power-house.

(b.) The licensee shall erect and maintain in good order, at the expense of the licensee, the necessary transmission-lines or cables between the licensee's power-house and the Minister's Penrose Station.

(c.) The Minister shall erect and maintain in good order, at the expense of the Minister, the necessary transmission-lines for the purpose of connecting the Minister's power-house or power-houses with the licensee's system at Penrose Substation.

(d.) The licensee and the Minister respectively shall, on demand, and from time to time as and when required, supply to each other so much of the surplus electrical energy as is then required and is available, but not in excess of one-half of the capacity of the plant installed in the licensee's power-house.

(e.) The price to be paid by the licensee shall be in accordance with Schedule C of the agreement between the Minister and licensee dated the 10th day of May, 1922, so long as the licensee is supplied from the Horahora power-house.

When supplied from the Arapuni power-house the licensee shall pay for electrical energy in accordance with the provisions of the said agreement. After the expiration of such agreement the price to be paid by the licensee shall be such as is mutually agreed upon by the licensee and the Minister, and such price shall be set forth in an amendment of this license.

The price to be paid by the Minister shall not exceed $\frac{1}{4}$ d. per unit.

The electrical energy supplied shall in each case be measured at the Minister's substation at Penrose.

6. CONVERSION OF LINES FROM EARTH-WORKING TO METALLIC.

Notwithstanding anything herein contained, the licensee shall bear the cost of converting the Railway or Post and Telegraph Department's lines which are now erected from earth-working to metallic if required by the Minister of Railways or the Minister of Telegraphs.

7. TELEGRAPH-LINES.

The licensee shall rectify to the satisfaction of the Minister of Railways or the Minister of Telegraphs any interference or disturbance caused by the erection or operation of the licensee's system that affects the satisfactory working of the telegraph-lines which are the property of the Railway Department or the Telegraph Department, and which were erected prior to the licensee's lines.

Clerk of the Executive Council.

License authorizing the Uawa County Council to erect Electric Lines in Portion of the Uawa County.

JELlicoe, Governor-General.

ORDER IN COUNCIL.

At the Government House at Wellington, this 14th day of July, 1924.

Present:

HIS EXCELLENCY THE GOVERNOR-GENERAL IN COUNCIL.

IN pursuance and exercise of the powers conferred by the Public Works Amendment Act, 1911, and of all other powers in anywise enabling him in that behalf, His Excellency

the Governor-General of the Dominion of New Zealand, acting by and with the advice and consent of the Executive Council of the said Dominion, doth—subject to the conditions set forth in the Schedule hereto, and to the regulations made under section two of the aforesaid Act, and dated the ninth day of October, one thousand nine hundred and twenty-two, and published in the *New Zealand Gazette* of the twelfth day of the same month, or any regulations hereafter made in amendment thereof of in substitution therefor (and hereinafter collectively referred to as "the regulations"), and which regulations shall be deemed to be incorporated herein—hereby authorize the Uawa County Council (hereinafter referred to as "the licensee") to erect and maintain electric lines for lighting, power, and heating purposes within the area of supply hereinafter described, such electric lines at present proposed to be erected being indicated by means of red lines on the plan marked P.W.D. 59082, and deposited in the office of the Minister of Public Works at Wellington, in the Wellington Land District.

SCHEDULE.

1. AREA OF SUPPLY.

THE area of supply comprises portion of the Uawa County; as the same is more particularly delineated on the plan marked P.W.D. 59082, hereinbefore referred to, and thereon outlined with a broken white line.

2. SYSTEM OF SUPPLY.

The system of supply shall be as described in paragraph (a) (1) of clause 2 of the regulations. The receiving voltage shall be approximately 230 volts between the terminals.

3. CHARGES FOR ELECTRICAL ENERGY.

The maximum charge for electrical energy shall not exceed 1s. 6d. per unit for lighting purposes, and 1s. per unit for motor-power, heating, or cooking purposes; provided that "lighting purposes" shall include the operation of motor-generators for lighting purposes, and provided further that from and after the expiration of two years from the date of this license the maximum charge for electrical energy shall not exceed 1s. per unit for lighting purposes and 6d. per unit for motor-power, heating, or cooking purposes.

4. DURATION OF LICENSE.

This license shall, unless sooner determined in accordance with the provisions hereinafter expressed, continue in force for a period of forty-two years from the date hereof. Provided that should an electric-power district be constituted under the Electric-power Boards Act, 1918, including the portion of the Uawa County in which the electric lines of the licensee are situated, the Electric-power Board shall have the right to purchase and take over the licensee's installation in the said county at a valuation to be agreed upon between the said Board and the licensee, and, failing such agreement, at a valuation to be fixed by a single arbitrator to be appointed pursuant to the provisions of the Arbitration Act, 1908, and thereupon the Governor-General may by Order in Council revoke this license. Upon the expiry of the said term, or upon the sooner determination of this license by revocation or otherwise, all rights hereby granted to the licensee shall thereupon cease and determine; but such expiration or determination shall not relieve the licensee of any liability theretofore incurred under this license.
