Any such notice shall be sufficient if given by the Minister and delivered at or posted to the last known address of the licensee in New Zealand.

10. The licensee shall be liable for any injury which may be sustained by any vessel or boat in passing the shed, platform, and timber-yard, or by contact therewith, and which may be occasioned by any default or neglect on the licensee's part.

then and in any of the said cases this Order in Council, and every right, power, or privilege, may be revoked and determined by the Governor-General in Council without any notice to the licensee or other proceedings whatsoever; and publication in the *New Zealand Gazette* of an Order in Council containing such revocation shall be sufficient notice to the licensee and to all persons concerned or interested, that this Order in Council, and the rights and privileges thereby conferred, have been revoked and determined.

12. In the event of this Order in Council being revoked for any reason whatsoever, or upon the expiry of the period for which the license is granted, the licensee shall, if required by the Minister so to do, remove the said shed, platform, and timber-yard entirely from the site and restore the site to its original condition within three months from the date of revocation or expiry, as the case may be; and, if the licensee fails so to do, the Minister may cause the said shed, platform, and timber-yard to be removed and the site so restored, and may recover the costs incurred by the said removal and restoration from the licensee.

13. The construction of the shed, platform, and timber-yard shall be deemed to be an acceptance by the licensee of the conditions of this Order in Council.
