

11. *Area of Supply.*

The area of supply comprises the Borough and County of Stratford as at present constituted.

12. *System of Supply.*

The system of supply shall be as described in paragraphs (e), (b) (2), and (c) of clause 2 of the regulations.

(a.) The generating voltage shall be approximately 2,200 volts, single phase, between the terminals at a frequency of 40 cycles per second, and the secondary distribution shall be 100 volts for lighting and 100 volts and 250 volts for power.

(b.) The primary distribution voltage shall be approximately 6,600 volts between phases. The secondary distribution voltage shall be approximately 400 volts between phases and 230 volts between any phase and neutral. The frequency shall be 50 cycles.

(c.) Generation and distribution under (a) of this clause shall cease when the change over to that under (b) of this clause has been effected.

13. *Conditions as to Change-over.*

The following provisions shall apply in respect to the allocation of the cost of adjusting, altering, or replacing installations consequent on the change over to the system of distribution as prescribed by paragraph (b) of clause 12 of these conditions.

Consumers' installations shall be classified as follows:—

- (i.) Class A: Installations in which the wiring is found to be in accordance with the licensee's rules and regulations, and only require alterations necessitated by the change of system.
- (ii.) Class B: Installations in which the wiring is found to be defective under the licensee's rules and regulations.
- (iii.) Class C: Installations in which the wiring is worn out and under any conditions of supply would require to be rewired within a short period.

The cost consequent on the change-over shall be allocated between the licensee and the consumers in the following manner according to the class of the installation:—

- (i.) Class A: The whole of the cost shall be paid by the licensee: Provided always that in the case of extensions and alterations which have not been authorized by the licensee the cost of alterations thereto shall be borne by the consumer.
- (ii.) Class B: The cost of removing all defects shall be paid by the consumer, and the cost of alteration due to change in system shall be paid by the licensee.
- (iii.) Class C: The whole cost shall be paid by the consumer.

In case of any dispute arising in respect of matters affected by this clause between the licensee and a consumer a Board of Appeal (whose decision shall be final) shall be set up to decide such dispute, which Board of Appeal shall consist of the following:—

- (i.) One representative appointed by the licensee:
- (ii.) One representative appointed by the consumer on whose premises the alterations are necessary.
- (iii.) The Stipendiary Magistrate for the district, who shall be Chairman.

The licensee shall arrange for any legislation necessary for the validation of this clause.

14. *Bed of River not leased.*

Nothing herein shall be held to constitute a lease from the Crown of the bed of the said river, nor shall the provisions of Part IX of the Property Law Act, 1908, apply to this license.

15. *Contract between Licensee and Crown.*

This license shall be deemed to constitute a contract as between the licensee and His Majesty the King, and may be enforced as a contract by and against His said Majesty or the licensee accordingly.

16. *Requirements of the Stratford County Council.*

Notwithstanding anything hereinbefore contained, the licensee shall not be entitled to erect, maintain, or use any electric lines within the Stratford County, except subject to such conditions, not inconsistent with the provisions of this license and the regulations relating thereto or any variation of this license or the regulations, or new regulations which may take the place of these regulations, as may from time to time be agreed upon between the licensee and the Stratford County Council.

17. *Location of Overhead Lines.*

Notwithstanding anything hereinbefore contained, one side of every road or street shall be left free by the licensee for

telegraph-lines. Lines shall not be erected on both sides of a road or street unless the permission of the Minister of Telegraphs or the Post and Telegraph Department is first obtained in accordance with clause 5 of the regulations. Except at crossing-places, the minimum separation between a telephone-line and poles carrying high or extra-high tension circuits shall be equal to the height of the taller pole.

18. *Conversion of Lines from Earth-working to Metallic.*

Notwithstanding anything herein contained, the licensee shall bear the cost of converting the Railway or Post and Telegraph Department's lines which are now erected from earth-working to metallic if such conversion is required by the Minister of Railways or the Minister of Telegraphs owing to electrical interference arising from the licensee's lines.

19. *Telegraph-lines.*

The licensee shall rectify to the satisfaction of the Minister of Railways or the Minister of Telegraphs any interference or disturbance caused by the erection or operation of the licensee's system that affects the satisfactory working of the telegraph-lines which are the property of the Railway Department or the Telegraph Department, and which were erected prior to the licensee's lines.

20. *Existing Water-rights.*

Notwithstanding anything in this license, all the right acquired by the licensee in respect to the use of water for the purpose of generating electrical energy under the Order in Council dated the 24th day of September, 1917, shall continue in force as if such Order in Council had not been revoked.

F. D. THOMSON,
Clerk of the Executive Council.

Licensing Alfred Berridge and Eleanor Mary Hulford to use a Part of the Foreshore and Land below Low-water Mark, at Kohukohu, Hokianga Harbour, as a Site for a Shop.

CHARLES FERGUSSON, Governor-General.

ORDER IN COUNCIL.

At the Government House at Wellington, this 18th day of May, 1925.

Present:

HIS EXCELLENCY THE GOVERNOR-GENERAL IN COUNCIL.

WHEREAS, there being no Harbour Board empowered to grant the license hereinafter mentioned under the Harbours Act, 1923 (hereinafter called "the said Act"), Alfred Berridge and Eleanor Mary Hulford (who with their executors, administrators, and assigns, are hereinafter referred to as "the licensees"), have applied to the Governor-General in Council for a license under the said Act to use and occupy a part of the foreshore and land below low-water mark at Kohukohu, Hokianga Harbour, in order to erect and maintain a shop thereon; and, in accordance with the one-hundred-and-seventy-first section of the said Act, has deposited a plan in the office of the Marine Department at Wellington (marked M.D. 3715, sheets one and two), showing the area of foreshore and land below low-water mark intended to be occupied, and the manner in which it is proposed to erect the said shop:

And whereas it has been made to appear to the Governor-General in Council that the proposed work will not be or tend to the injury of navigation; and the said plan has, prior to the making of this Order in Council, been approved by the Governor-General in Council:

And whereas it is expedient that a license should be granted and issued to the licensees under the said Act, for the purposes aforesaid, on the terms and conditions hereinafter expressed:

Now, therefore, His Excellency the Governor-General of the Dominion of New Zealand, in pursuance and exercise of the power and authority vested in him by the said Act, and of all other powers and authorities enabling him in that behalf, and acting by and with the advice and consent of the Executive Council of the said Dominion, doth hereby approve of the purpose or object for which the said license is required by the licensees as aforesaid; and, in further pursuance and exercise of the said power and authority, and with the like advice and consent as aforesaid, doth hereby license and permit the licensees to use and occupy that part of the foreshore and land below low-water mark on which the said shop is to be erected, as shown on the plan M.D. 3715 so deposited as aforesaid, for the purpose of erecting and maintaining the said shop; such license to be held and enjoyed by the licensees upon and subject to the terms and conditions set forth in the Schedule hereto.
