*By-laws.—Tongariro National Park.*

IN pursuance and exercise of the powers and authorities vested in it by the Tongariro National Park Act, 1922, the Tongariro National Park Board doth hereby make the following by-laws for the purposes of the said Act:—

1. INTERPRETATION.

In these by-laws, unless inconsistent with the context,—

“Park” means the Tongariro National Park as constituted by the Tongariro National Park Act, 1922:

“Board” means the Tongariro National Park Board as constituted by section 5 of the said Act:

“Chairman” means the Chairman, as defined by section 7 of the said Act:

“Warden” means the Warden appointed under section 11 of the said Act:

“Ranger” means a Ranger appointed under section 11 of the said Act:

“Stock” includes any horse, donkey, mule, goat, pig, or cattle beast.

2. FLORA AND FAUNA OF THE PARK.

No person shall, without the written authority of the Chairman, acting on a decision of the Board, place in the ground, sow, or plant any seed or plant in the Park, whether such seed or plant be native in New Zealand or not; nor shall birds, insects, or other animals be liberated therein except under like authority.

3. CAMPING.

All persons wishing to camp in the Park shall apply to the office of the Ranger for assignment to camping-sites, and shall pay such fees or charges as may from time to time be fixed by the Board, and shall not change camp-site without permission from the Ranger.

The following conditions must be strictly observed in connection with camp-sites:—

(a.) Combustible rubbish must be burned on camp fires and all other garbage and refuse of all kinds shall be placed in garbage-cans, or, if cans are not available, placed in pits provided at the edge of the camp. At new or unfrequented camps garbage must be burned or carried to a place hidden from sight.

(b.) No person, whether camping in the Park or otherwise therein, shall, except at places which may be indicated by the Ranger or other officer of the Board, wash clothing or cooking-utensils, or bathe, or pollute in any other manner the waters of the Park, nor shall he bathe in any of the streams near the regularly travelled thoroughfares in the Park without suitable bathing-clothes.

(c.) No person shall tie or tether stock in such a way that they may be able to enter any of the streams of the Park. All animals shall be kept at sufficient distance from camping-grounds so as not to litter the ground and render the area unfit for use as tent-sites.

(d.) No person shall take any dogs or cats into the Park without the permission of the Ranger.

(e.) No person shall take any wood for fuel except from dead trees or from trees which have been cut for the purpose by the Board's employees.

4. FIRES.

No person shall light any fire, except at camp-sites, without the express permission of the Ranger. Fires shall not be kindled near trees, dead wood, moss, dry leaves, tussock, forest mould, or other vegetation, but in some open place on rocks or earth. Should camps be made in a locality where no such open space exists, or is provided, the dead wood, moss, dry leaves, &c., must be scraped away to the rock or earth over an area considerably larger than that required for the fire. Fires shall be lighted only when necessary, and when no longer needed shall be completely extinguished and all embers and the bed smothered with earth and water so that there remains no possibility of re-ignition. Special care must be taken that no lighted match, cigar, cigarette, or tobacco, is dropped in any grass or other inflammable matter.

Nothing in this by-law shall exempt an offender from his or her liability under the said Act or any other Act with respect to the lighting of fires.

5. HUNTING.

All hunting or the killing, wounding, frightening, or capturing of any wild bird or animal, except such as are by the Board permitted to be caught or killed, is prohibited within the limits of the Park.

No person entering or travelling through the Park shall carry firearms, traps, nets, or explosives, without the written permission of the Ranger.
