3. In consideration of the concessions and privileges granted by this Order in Council the licensee shall pay to the Minister the sum of £2 10s., and thereafter an annual sum of £5, in advance, payable on the 1st day of April each year, the proportionate part of such rental in respect of the period from the date hereof until the 31st of March following to be paid on the licensee being supplied with a copy of this Order in Council.

4. His Majesty or the Governor-General, and all officers in the Government service acting in the execution of their duty, shall at all times have free ingress, passage, and egress into, through, and out of the said jetty and slipway without payment.

7. Any person authorized by the Minister may at all reasonable times enter upon the said jetty and slipway, and view the state of repair thereof; and upon such Minister leaving at or posting to the last known address of the licensee in New Zealand a notice in writing of any defect or want of repair in such jetty and slipway, requiring the licensee, within a reasonable time to be therein prescribed, to repair the same, the licensee shall with all convenient speed cause such defect to be removed or such repairs to be made.

8. Nothing herein contained shall authorize the licensee to do or cause to be done anything repugnant to or inconsistent with any law relating to the Customs, or with any provisions of the Harbours Act, 1923, or its amendments, or any regulations made thereunder, and that are now or may hereafter be in force.

11. The said rights, powers, and privileges may be at any time resumed by the Governor-General, and the licensee may be required to remove the jetty and slipway, at the licensee's cost, without payment of any compensation whatever, on giving to the licensee three calendar months' previous notice in writing. Any such notice shall be sufficient if given by the Minister and delivered at or posted to the last known address of the licensee in New Zealand.

12. The licensee shall be liable for any injury which the said jetty and slipway may cause any vessel or boat to sustain through any default or neglect on the licensee's part.

- (4.) Fail to pay the sums specified in clause 3 of these conditions,—

then and in any of the said cases this Order in Council, and every license, right, power, or privilege, may be revoked and determined by the Governor-General in Council without any notice to the licensee or other proceeding whatsoever; and publication in the *New Zealand Gazette* of an Order in Council containing such revocation shall be sufficient notice to the licensee, and to all persons concerned or interested, that this Order in Council, and the license, rights, and privileges thereby granted and conferred, have been revoked and determined.

14. In the event of this Order in Council being revoked for any reason whatsoever, or upon the expiry of the period for which the license is granted, the licensee shall, if required by the Minister so to do, remove the said jetty and slipway entirely from the site, and restore the site to its original condition within three months from the date of revocation or expiry, as the case may be; and, if the licensee fails so to do, the Minister may cause the said jetty and slipway to be removed and the site so restored, and may recover the costs incurred by the said removal and restoration from the licensee.

15. The erection of the said jetty and slipway shall be sufficient evidence of the acceptance by the licensee of the terms and conditions of this Order in Council.
