

tion of the Principal of the college and with the concurrence of the Director of Education, receive, without further examination, in such subjects as are approved for this purpose by the Director, and subject to compliance with the necessary conditions of service, age, and health, as prescribed by the regulations for the time being in force for the examination and classification of teachers, a trained teacher's certificate, which shall rank in respect of attainment with certificates of Class C or with certificates of Class D, as may in each case be determined. The recommendations should be based mainly on the results of a final examination covering the work during the year and of a standard at least equal to the attainment demanded by the Department in the Teacher's Certificate Examinations, although not necessarily covering the same syllabus.

## GENERAL.

28. (1.) Subject to the general control and management of the Board, the Principal shall have full control of the staff of the practising schools and training college and of the students; he shall also have power to arrange for the several courses of instruction in accordance with the requirements named above, to allot to himself and the other members of the staff such subjects of instruction as he may find convenient and the Committee of Advice may approve, to choose text-books and to determine the course of study and training of each student.

(2.) A statement shall be furnished to the Professorial Board giving the names of all training-college students in attendance at the University college, and the classes approved by the Principal for each student, in order that the Professorial Board may be in a position to report to the Principal on the progress made by the students.

29. (1.) Every student shall, when required by the Director, submit to re-examination by a School Medical Officer or other approved medical practitioner.

(2.) The Board may at any time, on receipt of a report from the Principal, dismiss a student, or direct him to cease attendance at the training college, on the ground of neglect of duty or gross misbehaviour, and all allowances to such student shall thereupon cease.

(3.) A studentship may also be terminated at any time if it shall appear to the Board and the Minister that the holder does not possess sufficient aptitude for the teaching profession to warrant further expenditure in training, or is considered on the report of a School Medical Officer to be physically unfit to continue his course of training.

30. The Principal shall make an annual report to the Board on the work of the training college, and the Board shall forward that report, with such other report as it may desire to make, to the Minister of Education before the 31st January in each year.

31. Every training college shall be open at all times to the visits of the Director or Assistant Director, or of any Inspector, or of any member of the Committee of Advice, or of any other person appointed by the Minister to visit such training college.
