occupied by the Crown or any other person or body corporate, and there to construct, erect, lay down, maintain, renew, or repair all such cables, wires, and other things as are required for the transmission of electricity between the power-houses hereinhefore referred to and any place to which the licensee is authorized to transmit electricity in pursuance of this license.

26. REMOVAL OF EXISTING POST AND TELEGRAPH LINES FROM PUBLIC ROADS.

Where it is necessary to remove existing Post and Telegraph lines from public roads in consequence of the erection of electric power lines, the obtaining of way leaves where necessary to enter upon and erect Post and Telegraph lines on private property shall be arranged by the licensee.

27. TIME FOR SUBSTANTIAL COMPLETION OF WORKS.

The licensee shall substantially complete the works hereby authorized within a period of two years from the date of this license, or within such further time as the Minister may allow in the event of the work being delayed by strikes, lock-outs, breakdowns, or other unavoidable causes not due to any neglect by the licensee.

28. Delegation of License.

(1) The Westland Electric-power Board may, with the consent of the Governor-General in Council, but not otherwise, delegate by deed to any person or company all or any of the powers vested in or conferred on the said Board by this license. Every such instrument of delegation shall contain provisions, to be approved by the Minister, for the resumption of the delegated powers by the said Board.

(2) In the event of the powers conferred by this license

being delegated as herein provided, the following provisions

shall apply:—

(a) The licensee shall be empowered to take under the Public Works Act, 1908, as for a public work, such land as may, in the opinion of the Governor-General, be necessary to enable the licensee to construct and

be necessary to enable the licensee to construct and maintain the various works authorized by this license.

(b) Sections 94 to 97, and 99 to 102, inclusive, and subsections (1), (2), and (3), of section 103 of the Electric-power Boards Act, 1925, shall apply in respect of the works authorized by this license, and for the purposes of this license, all references in the said enactments to the Board shall be construed as references to the license, and for the property of the license, and the property of the ences to the licensee, and references to the pro-visions of the said Act shall be construed as references to the terms of this license.

(c) Upon the expiration of the term of the license—

(i) His Majesty the King may take over and use the whole of the works executed pursuant to the instrument of delegation, including all structures, buildings, equipment, machinery, plant, and land hereinafter in this clause called the "works," on payment to the licensee of the then value of the works. The price to be paid under this paragraph shall be fixed in the manner provided for in the enactments referred to in paragraph (b) of this

clause; or
(ii) If required so to do by the Westland Electric-(i) If required so to do by the Westland Electricpower Board, the Governor-General may by Order in
Council grant to the said Board a new license for a
further period of thirty years, in accordance with
the law then in force with respect to the grant of
licenses for the use of water-power for the generation
of electricity, and the construction and use of
electric lines or

electric-lines; or
(iii) If His Majesty the King does not elect to
take over the works under subparagraph (i) hereof or a further Order in Council is not issued under subparagraph (ii) hereof, the licensee may, within such time and subject to such conditions as the Minister may then impose, remove all structures, buildings, equipment, machinery, and plant erected or installed by the licensee under the powers conferred by this license. If the licensee fails or neglects to effect such removal within the time or subject to the conditions imposed by the Minister, such structures, buildings, equipment, machinery, and plant shall, without payment of any compensation, vest in and

become the property of His Majesty the King.

(3.) This clause shall not be construed to confer on His Majesty any right to take over works, structures, buildings, equipment, machinery, plant, or land used solely for mining
