

*Engineers Registration Act, 1924.*

EXAMINATIONS, MAY, 1928.

ENTRIES for the next examinations in accordance with the regulations issued under section 16 of the above Act close on the 31st January, 1928. Entrance forms received after that date cannot be considered.

Entrance forms will be supplied on request to the Registrar, Engineers Registration Board, Wellington. Applicants should state whether they require forms for Civil, Mechanical, or Electrical Engineering.

Syllabus of examination can be obtained on payment of 1s. Civil Engineering candidates are notified that Electricity and Magnetism is now an additional compulsory subject in Section A, and Theory of Machines is the alternative subject to Theory of Structures in Section A. The subject Applied Chemistry has been added to Section B.

Candidates cannot sit for Section C of the Civil Engineering Examination until they have had three years' responsible engineering experience as approved by the Board.

Unless applications for registration have already been considered by the Board, all applications for examination should be accompanied by an application for registration made out on the proper form, or by a letter giving full details of the candidates' training and experience.

Examination fee must also accompany entrance form.

W. L. NEWNHAM, Registrar.
