2. *Approval of Training-schools for Nurses.*

(1) The governing body of every hospital which desires to establish at the hospital a training-school for nurses and to have it approved for the purposes of the said Act shall apply for such approval to the Board through the secretary, and shall in such application set out the names of the persons who will constitute the teaching staff.

(2) No hospital shall be approved by the Board as a training-school for nurses unless—

(a) The Matron is a nurse registered under the said Act and approved by the Board :

(c) The other requirements in regard to the training of nurses set out in these regulations can be adequately complied with.

(3) The governing body of any hospital may apply to the Board to have such hospital approved for limited training for the purposes of the said Act, and shall upon such application furnish to the Board such particulars relating to the training available at such hospital as the Board may require.

(4) The Board may approve for limited-training purposes any hospital in respect of which application has been made for such approval, or any hospital in respect of which application has been made for approval as a training-school for nurses, if in the opinion of the Board such hospital is not eligible for approval as a training-school for nurses but satisfactory preliminary training is available there.

(5) No hospital shall be approved by the Board for limited training unless—

(a) The Matron is a nurse registered under the said Act and approved by the Board :

(b) There can be given at the hospital such portion of the course of instruction hereinafter referred to as the Board thinks necessary ; and

(c) The other requirements in regard to the training of nurses hereinafter set out can be complied with so far as the Board thinks necessary.

(6) If at any time, in respect of an approved hospital or limited-training hospital, either—

(a) The Matron is not a nurse registered under the said Act ; or

(b) The Board has in its discretion resolved that its approval of the Matron be revoked ; or

(c) In the opinion of the Board the course of instruction referred to in these regulations (or, in the case of a limited-training hospital, such portion of the said course of instruction as the Board at any time thinks necessary) is not being given ; or

(d) In the opinion of the Board the other requirements in regard to the training of nurses set out in these regulations are not adequately complied with (or, in the case of a limited-training hospital, are not complied with so far as the Board at any time thinks necessary) ; or

(e) The training of nurses is not conducted in all respects to the satisfaction of the Board :

then and in any such case the Board may, after giving to the governing body of such hospital not less than three months' notice of its intention so to do, revoke its approval of such hospital as a training-school for nurses or for limited training, as the case may be.
