THE RIGHT HONOURABLE J. G. COATES, P.C., PRESIDING IN COUNCIL.

WHEREAS by section one hundred and eighty-six of the Harbours Act, 1923 (hereinafter called "the said Act"), it is enacted that the Governor-General in Council may vest the management of any wharf, the property of His Majesty the King, in any local authority upon such terms and conditions as the Governor-General in Council thinks fit :

And whereas it is thought desirable to vest in the Otamatea County Council (hereinafter called "the Council," in which term it is to be construed, unless the context requires a different construction, its successors or assigns) the management of the road-metal hopper at Hukatere on the Wairoa River, Kaipara Harbour, erected in accordance with the plan marked M.D. 4298, and deposited in the office of the Marine Department at Wellington, on the terms and conditions hereinafter set forth in the Schedule hereto :

Now, therefore, His Excellency the Governor-General of the Dominion of New Zealand, acting by and with the advice and consent of the Executive Council of the said Dominion, and in pursuance and exercise of the power and authority vested in him by the said Act, and of all other powers and authorities enabling him in that behalf, doth hereby vest the management of the said road-metal hopper in the Council, subject to the conditions set forth in the Schedule hereto.

SCHEDULE.

CONDITIONS OF MANAGEMENT.

1. IN these conditions the terms—

"Minister" means the Minister of Marine as defined by the Shipping and Seamen Act, 1908, and includes any officer, person, or authority acting by or under the direction of such Minister.

2. The concessions and privileges conferred by this Order in Council shall extend and apply only to the part of the foreshore and land below low-water mark adjacent thereto, necessary for the maintenance of the said road-metal hopper at the site shown on the plan marked M.D. 4298.

3. His Majesty or the Governor-General, and all officers in the Government service acting in the execution of their duty, shall at all times have free ingress, passage, and egress into, over, and out of the said road-metal hopper without payment.

4. The Council shall maintain and keep the above-mentioned road-metal hopper, and all erections on or in connection with the road-metal hopper in good order and repair; and shall at all times exhibit therefrom, and maintain at the Council's own cost, suitable and necessary lights for the guidance of vessels: Provided that no new light shall be exhibited until after it has been approved by the Minister.

5. All dues and rates received on account of the said road-metal hopper by the Council shall be applied to keeping the said road-metal hopper and all erections on or in connection with such road-metal hopper in good order and repair.

6. Any person authorized by the Minister may at all reasonable times enter upon the said road-metal hopper and any buildings erected on the road-metal hopper or in connection therewith, and view the state of repair thereof; and upon the Minister leaving at or posting to the last known address of the Council in New Zealand a notice in writing of any defect or want of repair in such road-metal hopper or buildings, requiring the Council, within a reasonable time to be therein

prescribed, to make good or repair the same, the Council shall, with all convenient speed, cause such defect to be removed or such repairs to be made.

7. The ballast of all vessels loading at the said road-metal hopper shall be taken away by the Council and deposited above high-water mark, or at such place as may be approved of by the Minister, or by any person appointed by the Minister for that purpose.

8. The Council shall not erect, or suffer to be erected, on the said road-metal hopper any building or structure whatever, except with the consent of the Minister.

9. The Council shall keep a separate account of the receipts and expenditure on account of such road-metal hopper and premises, and shall cause such account to be balanced to the 31st day of March in every year, and shall send a copy of such account when balanced to the Minister, and shall supply any particulars in reference thereto as may be required by the Minister.

10. The Council shall appoint all officers necessary for the working and management of the said road-metal hopper.

11. Nothing herein contained shall authorize the Council to do or cause to be done anything repugnant to or inconsistent with any law relating to the Customs, or any regulations of the Minister of Customs, or with any provisions of the Harbours Act, 1923, or its amendments, or any regulation thereunder, and that are now or may hereafter be in force.

12. The rights, powers, and privileges hereby conferred shall continue in force until the 27th day of August, 1930, computed from the date hereof, unless in the meantime such rights, powers, and privileges shall be altered, modified, or revoked by competent authority; and the Council shall not assign, charge, or part with any such right, power, or privilege without the previous written consent of the Minister first obtained.

14. The rights, powers, and privileges conferred under or by virtue of this Order in Council may be at any time resumed by the Governor-General without payment of any compensation whatever on giving to the Council three calendar months' previous notice in writing. Any such notice shall be sufficient if given by the Minister and delivered at or posted to the last known address of the Council in New Zealand.

14. The Council shall be liable for any injury which may be caused at the said road-metal hopper to any vessel or boat through any default or neglect on the part of the Council.

15. In case the Council shall—

(1) Commit or suffer a breach of the conditions hereinafter set forth, or any of them; or

(2) Cease to use or occupy the said road-metal hopper for a period of thirty consecutive days;

then, and in either of the said cases, this Order in Council and every license, right, power, or privilege may be revoked and determined by the Governor-General in Council without any notice to the Council or other proceedings whatsoever; and publication in the *New Zealand Gazette* of an Order in Council containing such revocation shall be sufficient notice to the Council and to all persons concerned or interested that this Order in Council, and the licenses, rights, and privileges thereby granted and conferred, have been revoked and determined.

16. In the event of this Order in Council being revoked for any reason whatsoever, or upon the expiry of the period for which the license is granted, the Council shall, if required by the Minister so to do, remove the said road-metal hopper entirely from the site and restore the site to its original condition within three months from the date of the revocation or expiry, as the case may be; and if the Council fails so to do, the Minister may cause the said road-metal hopper to be removed and the site so restored, and may recover the costs incurred by the said removal and restoration from the Council.
