

27. NO UNNECESSARY LENGTHS OF HOSE TO BE RUN OUT AT THE BEGINNING OF FIRE.

In the first stage of a fire only sufficient hose to reach the fire should be run off, so that no time may be lost by passing the water through unnecessary lengths of hose and in unnecessary handling.

28. DOORS AND WINDOWS OF BURNING BUILDING TO BE KEPT CLOSED UNTIL FIRE IS ATTACKED.

Especial care must be taken at all time to keep the doors and windows of a burning building closed until every preparation has been made for attacking the fire. Neglect of this precaution gives the flames a chance to spread, with the result that a fire that might have been extinguished with one jet of water may obtain a strength beyond the power of all appliances of the brigade to subdue.

29. MEMORANDUM FOR MOTORMEN.

Motormen are instructed to proceed at a moderate pace, when turning corners, going over crossings, and in all crowded places.

30. CONDITIONS OF SERVICE.

35. Any member dismissed from the service, or who may resign from the service, shall immediately deliver up all clothes and accoutrements that have been supplied to him by the Board; and if, in the opinion of the Superintendent, any article or articles supplied shall have been improperly used or damaged, a deduction from the pay or moneys due to the member shall be made sufficient to cover the loss sustained, or such loss may be recovered by process of law.

36. Every member in the employ of the Board will, as often as the Board shall consider necessary, be supplied with a suitable uniform and accoutrements, for the safety, cleanliness, and good order of which the member will be held responsible. 40. No member shall take any intoxicating liquors while on duty without permission of the officer in charge at a fire, or practice, or other duties.

41. No member shall be entitled to any pay during the time he shall remain under suspension from duty unless the Board on investigation of the circumstances acquit him from all blame in the matter.

42. Any member desirous of absenting himself from the district for any reason must first obtain permission from the Superintendent, and, should the Superintendent so desire, the member must provide a substitute during such absence, and payment of the substitute must be made by the member.

43. The Superintendent may grant leave of absence at any time to such number of the men as the Board may approve.

44. There shall be held during the year twenty-four (24) drills or practices at times and places to be decided upon by the Superintendent. Any member of the brigade who fails to attend eighteen (18) of the practices or drills, or two-thirds of the fire calls received during each year, shall be deemed to have forfeited his membership, and may be dismissed by the Superintendent.

45. Members of the brigade shall be liable for the following fines: For absence without leave, a fine of two shillings and sixpence (2s. 6d.) for each offence.
