3. The lessee shall, upon the expiration or other determination of his lease, be entitled to full valuation, to be ascertained and paid in the manner provided by the Land Act, 1924, for all substantial improvements of a permanent character effected by him upon the land during the currency of his lease or on any preceding title to which he has acquired a legal right.
4. The lease shall be generally subject to the provisions of the Land Act, 1924, including the conditions as to residence and improvements to be effected.
