

Owing to varying conditions, it is undesirable to lay down a hard-and-fast programme of work for all schools, but the following may be taken as a rough guide to the use of the tables:—

In all schools teachers of Primer classes will use "Physical Exercises and Games for Infants."

Grades I and II: Standard I to Standard VI, Tables 1-12.

Grade IIIA: Standard I and Infants to do infant work; Standard II to Standard VI, Tables 1-36.

Where there are three teachers: Primers do infant work; Squad I, Tables 1-36; Squad II, Tables 36-60.

Where there are four teachers: Primers do infant work; Squad 1, Tables 1-24; Squad 2, Tables 25-48; Squad 3, Tables 49-72.

Where there are five teachers: Primers do infant work; Squad 1, Tables 1-18; Squad 2, Tables 19-38; Squad 3, Tables 34-56; Squad 4, Tables 50-72. And so on.

It should be noted that in order to obtain the best results systematic physical exercises should be taken daily and at a fixed time.
