

MINISTER'S DECISIONS UNDER CUSTOMS ACTS—*continued.*

| Record.  | Goods.   | Classification under Tariff, and Item No.  | Rate of Duty.                |                 |   |              |              |
|----------|--|--|------------------------------|-----------------|---|--------------|--------------|
|          |  |  | British Preferential Tariff. | General Tariff. |   |              |              |
|          | Machinery, &c., and appliances— <i>continued.</i><br>Manufacturing, industrial, &c.— <i>continued.</i><br>Cranes— <i>continued.</i>  |  |                              |                 |   |              |              |
| 2/301/14 | Steam, having a rated lifting capacity exceeding 20 tons   | As machinery, &c., peculiar to use in manufacturing, industrial, and similar processes (352) | Free ..                      | 20 per cent.    |   |              |              |
| 2/28/2   | Engines, oil, and parts, viz.,—<br>Gaskets, flanged, of copper interlined with asbestos, for use on intake or exhaust manifolds of oil-engines   |  |                              |                 |   |              |              |
| 2/235/15 | Gas-making, viz.,—<br>Hot coke transporters, including parts peculiar thereto  |  |                              |                 |   |              |              |
| 2/235/9  | Valves, excess pressure, for use with gas exhausting and compressing plant   |  |                              |                 |   |              |              |
| 2/101/19 | Kiln, rotary, chrome vanadium steel cast tires for<br>Printers', viz.,—  |  |                              |                 |   |              |              |
| 2/18/29  | Bag-printing machine, including the automatic stacking attachment, for branding jute bags  |  |                              |                 |   |              |              |
| †2/13/9  | Stone-crushing machines, viz.,—<br>Jaw crushers and jaw type granulators having jaws of (a) less than 8 in., or (b) 20 in. or more, in width<br>(NOTE.—Revises decision on page 445 of the Tariff-book.)                         |  |                              |                 |   |              |              |
| 2/162/5  | Stoves, including the conveyors, for automatically stoving printed or varnished tin plates   |  |                              |                 |   |              |              |
| 16/62/3  | Measuring, counting, testing, indicating, and recording, viz.,—<br>"Hortvet" Cycroscope, apparatus for determining the amount of added water in milk<br>N.e.i., other kinds, viz.,—  |  |                              |                 | As measuring, testing, &c., machines, instruments, and appliances, n.e.i. (342) | Free ..      | 20 per cent. |
| 2/301/14 | Cranes, viz.,—<br>Electrically operated wall jib .. .. .<br>(NOTE.—The electric hoist block is to be separately classified under Tariff item No. 352.)   |  |                              |                 | As machinery, &c., n.e.i., other kinds (353 (5))                                | 20 per cent. | 40 per cent. |
| 2/301/14 | Hand operated, single girder .. .. .<br>(NOTE.—The hoist block, and trolley therefor when forming a structural part of the hoist, i.e., when not merely hooked or chained thereto, may be separately classified under T.I. 352.) |  |                              |                 |   |              |              |
| 2/235/9  | Steam-engines for gas exhausting and compressing plants  |  |                              |                 |   |              |              |
| 2/148/11 | Metal, manufactured articles of, n.e.i., &c., viz.:—<br>Sand washing tanks .. .. .   | As manufactured articles of metal or hardware, &c., n.e.i. (356)                             | 20 per cent.                 | 40 per cent.    |   |              |              |
| 2/148/11 | Screens, revolving perforated for use with a stone-crushing machine  |  |                              |                 |   |              |              |
| 11/61/4  | Trucks, metal, suited for use on coal-mine tramways, imported unassembled<br>(NOTE.—The wheels, axles, pedestals, cotters and rivets are to be separately classified under their appropriate Tariff item.)                       |  |                              |                 |   |              |              |
| 3/696    | Wall boxes, being rectangular metal frames for setting in walls to hold plummer blocks for transmission shafting   |  |                              |                 |   |              |              |
| †13/81   | Opticians' materials, viz.:—<br>Eyeglass frames and lorgnette frames .. .. .<br>(NOTE.—Cancels decision on eyeglass frames and lorgnette frames on page 253 of the Tariff-book.)   | As opticians' frames, &c. (134 (2))  | Free ..                      | 20 per cent.    |   |              |              |
| 3/15     | Pipes, tubes, and tubing, viz.:—<br>Fittings, for, viz.,—<br>Screw caps, brass, for the manufacture of lead traps  | As brass fittings, n.e.i., for pipes (362 (11) (a))  | 20 per cent.                 | 40 per cent.    |   |              |              |
| 7/80/8   | Polishes:—<br>"Dural" rubbing paste, used for rubbing on the painted surfaces of motor-vehicles in preparing a smooth surface for the polishing wax  | As metal polishes (393) ..   | 20 per cent.                 | 40 per cent.    |   |              |              |
