

- (c) Mahurangi Harbour, inside a straight line drawn from the south head to the north head at the entrance thereof.
- (d) Inside a straight line drawn from the outer point of Fishermen's Bay (Accord Point) to Momona Point (otherwise known as Mansion House Point) Bon Accord Harbour, Kawau Island.
- (e) Manukau Harbour, inside a straight line drawn from the signal-staff on the South Head, to the eastern extreme of Paratutai Island.
- (f) Kaipara Harbour, inside a straight line drawn from the outer end of North Sandspit (otherwise known as Dry Spit) to Puki-tu.

(4) No person shall use a Danish seine on a vessel having an over-all length greater than 50 ft. in that portion of the Hauraki Gulf which is bounded as follows: On the north by a straight line drawn from the north head of Colville Bay to Tiri Tiri Lighthouse; on the west by a straight line drawn from the said point to Flat Rock; and thence by a straight line drawn north (true) to its intersection with a straight line from Cape Colville to Rodney Point, and again on the north by a straight line drawn from the said point of intersection to Rodney Point.

(5) During the period from the 16th day of November in any year until the 31st day of January following, both days inclusive, no person shall use a net of any description whatsoever for taking fish within that area of waters bounded as follows: Commencing at high-water mark of ordinary spring tides at Takatu Point, proceeding thence by a straight line drawn to Kauri Point on Waiheke Island; thence by high-water mark along the northern and western shores of the said Island to a point due west of the house at Cable Bay; thence by a straight line to a point at high-water mark of Motutapu Island in line with the shed at Emu Bay; thence by high-water mark along the northern portions of Motutapu and Rangitoto Islands to a point east (true) of Rangitoto Beacon; thence by a straight line to Rangitoto Beacon; thence by a straight line to Gull Point on the mainland; thence by high-water mark to the south head of the entrance to Mahurangi Harbour; thence by a straight line to the north head of the entrance to the said harbour; thence by high-water mark to the commencing-point; excluding from the said area the waters inside a straight line drawn from the outer point of Fishermen's Bay (Accord Point) to Momona or Mansion House Point, Bon Accord Harbour, Kawau Island: Provided that this regulation shall not apply to set nets used for taking flounders, soles, or mullet, or to drag nets used for "herring" or piper only, within the said area.

(6) The mesh in the last three yards of the cod-end of every Danish seine net shall measure, when prepared for use, not less than four and a half inches.

(7) It shall be unlawful to use or convey a Danish seine net on any vessel when such vessel is engaged in trawling.

(8) No person shall use an otter-board with or attach the same to any Danish seine net, nor shall any person convey an otter-board on any vessel while such vessel is engaged in Danish seining.

(9) For the purpose of these regulations a Danish seine is a net having a warp attached to each wing and which is operated by being drawn over the sea-bottom, the power for such operation and for the hauling of the net being provided by a winch driven by an internal combustion or steam engine.

(10) Any person committing a breach of any of the above regulations is liable to a fine of £50.
