3. The aforementioned quality, quantity, and kind as to the said timber shall be taken as sufficiently accurate for the purposes of this sale, and no contract for the purchase shall be voidable, nor shall the successful purchaser be entitled to any abatement in price, by reason of the said timber being of less quantity, quality, or kind as stated herein or in any advertisement having reference to the said timber.

4. The attention of all tenderers is drawn to the fact that the local controlling body may require the successful tenderer to pay any claims or charges which may be made by that body for the maintenance of the road over which the timber may be transported, and before a sawmill license is issued a letter indicating that satisfactory arrangements have been made in this connection must be produced to the undersigned.

5. A return, verified by affidavit, giving the number of logs cut of each species and their contents must be made quarterly by the licensee on the last days of March, June, September, and December respectively in each year. A return, similarly verified, must be made on the same dates showing the output of sawn timber of each species. These returns may be ascertained and verified by inspection of the books of the mill, or by such other means as the Conservator may require, and for this purpose the accounts and books shall be open to the inspection of the Conservator, a Forest Ranger, or other duly authorized officer.

6. Intending tenderers are expected to visit the locality and to satisfy themselves in every particular on all matters relative to the sale.

7. Each tenderer must state the total price that he is prepared to pay for the timber. The highest or any tender will not necessarily be accepted, and the timber described is submitted for sale subject to the final acceptance of the tender by the Commissioner of State Forests.

8. The right is reserved to the Commissioner of State Forests to withdraw from sale any or all of the said timber either before or after the closing date for receipt of tenders.

9. If no tender is accepted for the timber herein mentioned it will remain open for application at the upset price until further notice.
